LIVE STOCK MARKETS TORONTO.

Receipts of live stock at the Union Yards yesterday consisted of 119 cars. 2223 cattle, 143 calves, 965 hogs, 103 sheep and lambs.

Trade in cattle was slow yesterday at the Stock Yards, especially the common to medium grades. Anything real choice in butchers met a fairly ready sale at prices steady with last week, but the common stuff was very slow and from 15c to 25c lower in price.

Choice butchers, steers and heifers sold at from \$10.50 to \$11 per cwt. and good butchers at \$10 to \$10.35.

The big trouble is that drovers will persist in buying common half-finished cattle at top market values. The best bid one drover received for a load of butcher steers and heifers was \$9.65, and he paid from \$9.85 to \$10 for these cattle in the country.

Choice cows sold at \$8.75 to \$9.25 and a few choice at higher prices. Good cows sold at from \$8.25 to \$8.50 per cwt. Canners and cutters were steady at from \$5.25 to \$5.75.

Bulls were unchanged, choice selling at from \$9.50 to \$10 per cwt. A few extra choice sold at \$10.25, \$10.50 and \$10.75 per cwt.

Stockers and feeders were strong and slightly higher. One lot of 26 very choice short-keep feeders, average weight 1100 lbs., sold at from \$10.20 to \$10.35.

Feeders, 800 to 900 lbs., sold at from \$9 to \$9.75, steers 700 to 800 lbs., at \$8 to \$8.75 and steers and heifers, 500 to 600 lbs at \$7.50 to \$8.

Milkers and springers were steady, especially best cows which sold at from \$8.5 to \$11. A few choice cows sold at \$11.2 to \$12 each. Lambs sold at 14c to 15c lb., a few real choice bringing 15c lb.

Sheep—One lot of real choice, average weight 127 lbs each, sold at 11c lb., but the bulk sold at from 9c to 10c lb. for light and 8c to 9c lb. for heavy.

Calves were steady at prices as quoted below.

Hogs were firm at \$14.25 for fed and watered. Very few were sold off cars.

Benefit to Wool Growers.

An important agricultural move for this province is the decision to make Guelph a central depot for the grading and marketing of wool. Shipments will be made from all parts of the province between May 15 and June 10. The wool will be properly cared for and stored, and after it has all been received experts under the direction of the Dominion Live Stock Branch of the Department of Agriculture will proceed to grade the wool ready for the market. Expert clerks will also be provided; the wool will be weighed, and the names of the owners placed upon it. When the wool is first delivered here in its rough state the grower will be paid 50% of its estimated value, in order that he will not have to wait a long time for his money, and the balance will be paid when the wool is sold. It is estimated that by this method of marketing the wool will bring six cents a pound more than formerly.

Canada has already spent \$443,000,000 in the war, and if the war continues another year it will cost her \$443,000,000 more. But this is cheap if it purchase liberty for Belgium and the world.

The coal situation in Canada this winter ought to open our eyes to the necessity of laying in an adequate supply during the spring and summer months. Every coal bin should be filled and if necessary enlarged to hold more than a winter's supply. The difficulties of winter transportation are increasing rather than diminishing as the railways are not so well equipped in men and material to handle the traffic. The wise man is he who gives his order for coal now and insists on big dealer filling it in the spring or early summer when transportation facilities are best.

Housekeeping Is Not the Task It Used to Be

MODERN invention has done away with much of the hard work. For instance, the cleaning and polishing of hardwood floors, the dusting of moldings, the tops of high furniture, the stairs, under the radiator, etc. These back-breaking tasks are now made easy with the

O-Cedar Mop

Polish

With it you can dust, clean and polish a hardwood floor in the time it formerly took you to get ready to do it.

Besides, you do not have to get down on your hands and knees to dust under the bed or other hard-to-get-at places, or to stand on a chair to dust the top of the high furniture. All of the hard work is now made easy with the O-Cedar Polish Mop. It gathers all the dust or dirt from everywhere and holds it. The mop is easily cleaned by washing and then renewed by pouring on a few drops of O-Cedar Polish.

Try It at Our Risk. Try it two whole days with this understanding: If you do not find it satisfactory in every respect we will return your money. The price is only \$1.50 and it will save its price many times over in a short time.
