The Motorcycle

By HOWARD L. RANN

THE motorcycle is a portable gas-engine with a stuttering form of speech and the disposition of a coyote. It is used to carry people from one point to another at the rate of one mile every fifteen seconds and incidentally to discourage pedestrians from crossing the street without having to duck under a dray.

Motorcycles are so constructed that they never kill anybody except the innocent bystander. No body ever heard of a motorcycle blowing up and kicking a speed maniac into the future state. This motorcycle always picks out somebody who is in perfect health and shuffles him into the great beyond before he has time to straighten out an overcharge at the butcher shop. On this account, motorcycle victims should be regulated by law, and nobody should be allowed to be killed

LADY THOMPSON PASSES AWAY

Wife of Former Premier of Canada Died Last Night in Toronto.

TORONTO, April 11.—Lady Thompson, widow of the late Sir John Thompson, a former Premier of Canada, died at her home on St. Joseph street at a late hour last night.

The news of Lady Thompson's death, although reported late in the evening, was flashed to places all over the Dominion. The older men and women of Canada well remember the part Sir John Thompson played in the stirring political discussions of the nineties, and the death of his widow came as a profound shock to them especially.

Lady Thompson's maiden name was Annie Emma Affleck. She was a daughter of the late Captain Affleck of Halifax and married Sir John Thompson in 1870 before he had won his spurs, and five years after he had been called to the bar of Nova Scotia.

Lady Thompson is survived by five children—two sons and three daughters. Joseph A. Thompson of the law firm of Aylesworth, Wright, Moss & Thompson, is the oldest of the children. A daughter married Mr. Street, son of the late Justice Street, while the other two are unmarried.

Lady Thompson, like her husband, was a staunch Roman Catholic.

Ardent Church Worker. She was always an ardent church worker, and to the people of Toronto she was widely known for her charity. Gray-haired folk will well remember the surprising circumstances of Sir John Thompson's death in Windsor Castle, England, about twenty years ago. At the time Sir John, as Premier of Canada, was having a conference with the late Queen Victoria. Sir John and the Queen were having luncheon, when suddenly he was seized with a stroke of heart failure. The court attendants carried him into another room, but he expired almost immediately. His body lay in state in Windsor Castle, and was afterwards borne to Halifax, Canada, on a British man-of-war. Queen Victoria sent a message of condolence to the bereaved widow, and with it a painting of the coffin and the remains of Sir John.

MUSIC and DRAMA

Revivals are the rage just now, but the one of "Robin Hood," which will be seen at the Grand on Tuesday, April 15th, is probably the most pretentious one that has ever been made of a light opera. Not content to spend an immense sum for the scenery and the costumes, the management of the De Koven Opera Company has drawn from the principal opera houses of the world for its leading singers. Bessie Abbott, who heads the cast, has her first experience in the musical world at the Paris Grand Opera and this was followed by several seasons at the Metropolitan Opera House in New York. Henrietta Wakefield and Herbert Waterous also come from the last named theatre. Walter Hyde, by all odds the best tenor in England, hails from the Royal Opera, Covent Garden, in London. Sylvia Van Dyck is an English soprano who won her spurs at the Brussels Opera House. Anna Buesert was a member of the Berlin Opera House, while Mincha Pironzo was for several seasons at La Scala in Milan. In addition to its musical score, "Robin Hood" possesses a witty libretto and the principal performers of the company will be Hal-len Mostyn, Phillip Sheffield and Anna Boyd. The musical director, Frank Tourin, comes from the Gaiety Theatre in London.

All the Tired Nervous Women

CAN FIND A CURE IN DODD'S KIDNEY PILLS

Madame Perreault Tells How She Cured Her Kidneys With Dodd's Kidney Pills, and Found Health and Contentment.

VERNER, Ont., Apr. 6 (Special).—"I am very content. Dodd's Kidney Pills have made me well."

These are the words of Madame Margene Perreault, a highly respected lady of this place and mother of a large family. For twenty years she was a sufferer. But let her tell her own story.

"I was always tired and nervous," she states. "I felt heavy and sleepy after meals. My limbs were heavy, and I had a dragging sensation across my loins. My skin itched and burned at night. I had a bitter taste in my mouth, especially in the morning. In twenty years I hardly knew what it was to have a well moment. Then I commenced using Dodd's Kidney Pills. Six boxes cured me."

Madame Perreault's symptoms were those of kidney disease. They are the symptoms of nine out of ten of the nervous, rundown, pain-racked women of Canada. Madame Perreault found a speedy and complete cure in Dodd's Kidney Pills. They simply cured her kidneys.

DEATH AT DRUMMOND REMAINS M

Evidence Favors Theory That Man Was Unintentionally Poisoned.

Neither Result of Post-mortem Nor Analysis Ready for Inquest.

WOODSTOCK, April 12.—Coroner Mackay of this city went out to Drumbo, yesterday and continued the inquest on the body of Frederick Beemer, who died in convulsions in that village on March 25, after having taken several doses of salts. The coroner expressed some disappointment at the failure of the Government analysis of the contents of the stomach to arrive, nor was the report of the two doctors appointed to conduct the post-mortem on hand, all of which necessitated another adjournment. A considerable amount of evidence, however, was taken, but nothing of a sensational nature came out. What evidence was adduced appeared to be in favor of the theory that the deceased met his death by poison, but not administered by one desiring his death.

Mrs. Beemer, wife of the deceased, was kept on the stand for over an hour by County Crown Attorney Ball. She declared that her husband was sober, cheerful and had no family or business troubles. She denied having made the statement that Beemer told her he had been poisoned. After the third dose of salts she said her husband seemed to improve, but died a few hours. She admitted having forgotten to tell the doctor of her husband's expressed wish that his stomach be pumped out.

Charles Cassidy, a neighbor, testified that Beemer had told him he felt like a man who had been poisoned.
