"MADE IN CANADA" DISPLAY

The last three days of this week will be a Made-in-Canada display, and will be given by the retail business men of this city, when every merchant in Brantford is requested to give the utmost prominence, in his windows and throughout his store, to the merchandise that he usually carries in stock which is "Made in Canada." The purpose of this display is to familiarize the people of this vicinity with the nature of the goods that are the manufacture of Canadian artisans, so that such an increased demand will be created for this merchandise that the wheels of industry will be kept in operation during these trying times and unemployment reduced to a minimum.

When it is remembered that last year Canada bought nearly \$700,000,000 worth of foreign goods, nearly half of which could have been made in Canada, it will be realized that if this business can be diverted into the factories of this country that the commercial depression caused by the war would be largely minimized. Every Canadian is imbued with a strong sense of loyalty, and if every opportunity is taken to make the people more familiar with what "Made in Canada" actually means, undoubtedly the business of the industries of this country will be increased as a result.

Let every merchant enter heartily into this movement, and see that his store is attractively decorated with "Made-in-Canada" merchandise on Thursday, Friday and Saturday next, and every citizen is urged to visit the stores on these days to become more familiar with the extent and nature of the goods that are made in our own country. Remember, every two dollars spent on goods of foreign manufacture deprives a Canadian workman of a day's pay.

FAREWELL GIVEN

To Mr. C. Stubbs, Who Was Popular in Local Football Circles.

Football enthusiasts will learn with regret of the departure of Mr. C. Stubbs for the Old Country to take up his residence at his home in England. Mr. Stubbs came to this city about four years ago, and for three seasons played for the Cocks-shutt United football club, where his reputation as a full back is well known in the city.
His departure last Tuesday evening by the 7:00 train was the occasion for the gathering of a large crowd of admirers to see him off shortly before the departure of the train. Mr. B. Unitch, secretary of the Cocks-shutt United football club, on behalf of the officers and players of the club, presented Mr. Stubbs with a handsome set of gold cuff links and a watch fob, and in making the presentation spoke highly of the esteem in which he was held by all who knew him, and assured him that he carried with him the best wishes for his future.
Mr. Stubbs, who was visibly affected by the warmth of his reception, in returning thanks, said he hoped that his return to the old country would never efface the memory of the many happy days spent, and the large number of friends he made during his residence in Brantford.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TURKS IN QUANDARY

LONDON, Nov. 5.—5 a.m.—A despatch to The Times from Medeahatch, a seaport of European Turkey, dated Monday, affirms that some members of the Turkish Government were quite ignorant of the Turkish fleet's attack on Black Sea ports two hours after foreigners were aware of it. On hearing the news the grand vizier, Prince Said Halim fell ill and resigned. On Friday morning last, the Russian ambassador, unable to see the grand vizier owing to his illness, asked for his passports.

It is said the Swiss are working strenuously to secure an armistice.

NOW A BENEDICT

Brantford Soldier Takes unto Himself a Bride Prior to His Departure.

The advice which is being given in Great Britain just now to recruits going on active service to get married before they leave, has been taken up by at least one Brantford recruit prior to his departure to-morrow with the Brantford contingent. Harold George Bacon, one of the Brantford soldiers and Miss Clara Jean Port, were united in matrimony at Colborne street church yesterday. Rev. T. E. Hollingford officiated. A number of friends of the bride and groom were present to wish both hearty good luck.

At The Y. M. C. A.

Last night a large number of young men took part in the boxing class which is being conducted in the Y.M.C.A. George Nixon of Hamilton, who is the instructor, is a past master at the game, and the manner in which he handles the class is very satisfactory. A large number have signed up for this class, and judging by the turnout of the members last evening, it will soon be necessary to divide the class into two squads. All information regarding the class and fees can be obtained from the physical director.

A very satisfactory start was made by the fencers of the Y.M.C.A. under Instructor W. J. Feldkamp. Arrangements for future classes were made. Class meets for actual work next week on Wednesday evening at 7:30.
Last night the Business Men and the Braves lined up for their first scheduled league game in the Y. M. C. A. gymnasium. Both teams had a comparatively strong line-up, and the Business Men showed marked improvement over their last appearance. Their ranks have been strengthened considerably. The game was a pitcher's battle from the start. The Business Men got away to an early lead, but the Braves tied in the fifth inning, after a batting rally which was started by Slattery. In the last half of the sixth inning the Braves were ahead by two runs and managed to keep the Braves from any further scoring. The final score was 8 to 6 in the Braves' favor. The batteries were Roper and Atkinson for Business Men, and Klersy and Woolmans for Braves. Harry Fleming umpired to the satisfaction of all.

High School Class

The High School Class has reorganized for the coming winter and from evidences displayed at their opening meeting held in the auditorium of the Y. M. C. A. on Tuesday evening, the class is to have a prosperous season.
Secretary Thompson presided over about 40 members, and among the visitors was C. T. Sharpe of Toronto West End, who gave a very interesting talk upon the work to the assembly. He outlined the curriculum of every high school class in the Dominion in no uncertain manner and he carried the conviction of his thoughts upon these subjects. His address was keenly appreciated. The election of officers followed and A. W. Burrows was appointed Honorary President and G. L. Godwin Honorary Vice-President. All members of the Y. M. C. A. staff and gentlemen teachers were appointed members of the Board.
Ken Wood was elected President and Ken Warons as vice-president, with A. Coles as secretary, and a VanSommer, treasurer. Cliff Slemm and A. Beckett were selected as group leaders.
The class will meet in the Y.M.C.A. every Tuesday night.
