SPORTING NEWS

Football

The Executive of the Brantford and Paris League held a lengthy session of business last night when the principal business was the investigation of the game between the Thistles and Sons in which undue roughness was reported. The Secretary's resignation was received, but not entertained and the games allotted for Saturday.

Cassels will referee the Tutela and Sons match and Wright will officiate at the Paris and P. S. A. encounter. The game between the Thistles and Holmdeals was postponed with the approval of the executive.

The release of A. Coburn, F. Webb and A. Curran from the Tigers was officially noted.

SECRETARY'S RESIGNATION

Dealing with the resignation of the Secretary, Mr. Mears, Mr. John Hill, the grand old man of Football, said it could not for a moment be considered. Mr. Mears had been the most capable and trustworthy secretary the league had ever possessed and the speaker did not deem it wise to allow him to pass out of football. Mr. Mears had made a mistake in his official capacity in a recent game, but he had manifestly owned up and in consequence resigned his position. Mr. Hill would move that it be not accepted and his motion was heartily endorsed by the representatives present.

SONS PROTEST

The Sons of England entered a protest against the result of their game with the Thistles, but owing to the lengthy list of business and the fact that all the players concerned had not been brought before the meeting, it was held over until the next meeting which will be held on Wednesday next.

ROUGHNESS INVESTIGATED

It was admitted that the game between the Thistles and Sons of England, which has caused much local comment, was no parlour game, and the referee and the captain of the Thistles were examined. Referee Marks said it was rougher than is usually the case and this Captain Harrington admitted. Both teams were out to win and something was almost bound to happen. Harrington explained his attitude on the field, which had caused some trouble and his explanation was held to be satisfactory. He was severely cautioned and warned and will not repeat the offence. The cases of Kelly and Taylor will be gone into next week.

The league standing is here given:

Team	P	W	L	Dr	For	Agst	Pts.
Thistle	6	3	0	0	25	1	12

Friends of the billiardist said he had been on the verge of a nervous collapse for some time and was unaccountable for the attack on his wife.

MORAL FORCE

PLUS STRENGTH
By Special Wire to the Courier.

Paris, June 17.—"A crowning victory will be the reward of moral force backed by material strength," was the essence of discourses by President Poincare to the munitions workers at establishments in Tarbes, Toulouse, Creusot and other places, of which he has just made a tour. The president everywhere insisted upon the great importance attaching to the manufacture of guns and munitions on a larger and quicker scale. "The moral force of our troops and people is admirable, and the enemy will never break it," said M. Poincare, "but we must ceaselessly increase our material power. All who aid in that patriotic task deserve the encouragement and the congratulations of the nation."

Tired Mothers. It's hard work to take care of children and to cook, sweep, wash, sew and mend besides. Tired mothers should take Hood's Sarsaparilla—it restores back blood, improves the appetite, assures restful sleep, and helps in many ways.
