COUNTY NEWS.

WINDSOR.—The Rev. Mr. Con-
ley, of the Methodist church, notwith-
standing the inclement weather, filled
the pulpit of the Caintown church on
last Sabbath. The congregation was
very small.

The ball held in the hall in West-
ford last week was not a great success
financially.

Mr. E. Andrews has taken into
himself a wife and has rented rooms
from Mr. Henry Powell, of Caintown.

Mr. William White, of Caintown,
has renovated the old house on the
Carpenter property, which was recently
purchased and has just completed a
very comfortable residence.

Mr. Bryant has rented a farm from
Mr. Ezekiel Wilson for a period of
one year.

Mr. W. C. Smith and H. Andrews have
purchased a new mill owned by George
Tove. Business in that quarter will
now boom.

Mr. Stephens, of Lyndhurst, who
was working for Mr. Andrews, of
Caintown, has returned home. Mr.
Stephens was a first class blacksmith.

We were very sorry to learn of the
death of Dr. McChie. We were per-
sonally acquainted with the doctor, in
years gone by, and said gentleman
was very popular in the north
county.

A New Trial.
Barriester Lavel, of Smith's Falls, is
in Toronto with the intention, it is
said, of applying for a new trial for
Charles Luckey. The Department of
Justice at Ottawa will be asked to
consider several points in the case. One
is that the prisoner was acquitted and
convicted on the same evidence at
different trials, the first for the murder
of his father. The Minister will also
be asked to enquire into the homicidal
tendencies of the prisoner and if these
points have any weight the sentence
may be changed to life imprisonment.

A Great Oration.
The Globe of Toronto is offering
great inducements in connection with
their weekly for 1894. To all sub-
scribers who forward them one dollar
the end of December, they will
send The Weekly Globe for 1894, and
in addition, present them with a
copy of "Hints for the Million," pub-
lished by Messrs Rand, McNally & Co.,
the celebrated publishers of Chicago
and New York.

This work is an invaluable book of
reference and handy for the household
being a compendium of thousands of
new and valuable recipes and sug-
gestions on hygiene, medicine, busi-
ness affairs, traveling, the workshop,
laboratory, house, kitchen, garden,
stable, etc. The regular selling price
is 85c., it is worth one dollar.

**Useful to an inquisitive and economical
housekeeper.**—New York Sun.
A book which will be found useful
by everybody.—Boston Traveler.
A very useful thing for a handy
person.—New Orleans Piqueune.
The "Hints" are comprehensive
enough, and the wonder is they aren't
called a "Household Encyclopedia."
—Cincinnati Commercial.

More useful information could not
well be crowded in the same space.—
San Francisco Bulletin.
No well regulated household should
be without a copy of "Hints for the
Million."—Spirit of the Times.
In a wonderfully compact form a
vast amount of information.—Man-
chester Union.

The book will be forwarded free of
postage. The offer is a most liberal
one and should secure a large increase
in the circulation of that old established
and excellent newspaper.

Send your name and address on a
postal card to the Weekly News,
Kingston, Ont., and you will receive
The Kingston Weekly News until
January next free of charge.
