FRIENDLY ADVICE

TO WEAK, NERVOUS AND EASILY
TIRED WOMEN.

Given in the Story of One Who Had
Suffered and Has Found Renewed
Health and Strength.

From the Sun, Orangeville, Ont.

It is a good many years since the good wrought by Dr. Williams' Pink Pills was first recorded in the columns of the Sun, but during that period the sterling merit of the medicine has increased its reputation and every day adds to the number of those who have found health through the use of these famous pills. Many in this town have freely spoken of the benefit they have derived from the use of Dr. Williams' Pink Pills, and to these another is added in the person of Miss Victoria Widdis.

A reporter of the Sun, who had heard of her cure, Miss Widdis said: "Several years ago I became very much run down. I felt tired all the time, my blood was watery and I was in what the physicians called an anemic condition. I was always weary and worn out, unable to do anything and yet not sick enough to be in bed. My heart bothered me with its constant palpitation, brought about by my extreme weakness. My appetite failed me and I was gradually growing worse. I had heard and read of Dr. Williams' Pink Pills and decided to give them a trial. After using them a short time a decided change was noticeable and it is no exaggeration to say that I felt like an entirely different person. My appetite returned and with it good blood and strong nerves. I can conscientiously say for Dr. Williams' Pink Pills that they did me more good than I can tell. To all weak, nervous, easily tired, run down women, I say by all means give Dr. Williams' Pink Pills a trial and you will be delighted with the result."

It is because these pills make rich, red blood that they cure such troubles as anemia, shortness of breath, headache, palpitation of the heart, rheumatism, erysipelas, St. Vitus' dance, and the functional ailments that make the lives of so many women a source of constant misery. The genuine pills always bear the full name, "Dr. Williams' Pink Pills for Pale People," on the wrapper of every box. Sold by all dealers or sent by mail at 50 cents a box or six boxes for \$2.50, by addressing Dr. Williams Medicine Co., Brockville, Ont.

The lacrosse game yesterday afternoon between Chatham and Rodney resulted in an easy victory for the home team.

Fence Builders Who Think

The London Fence Weaving Machine is a comparatively new thing to the fence builders but it is fast becoming indispensable as a money and labor saver, especially since Fence Slats are so hard to procure.

With this machine you can build a fence of No. 9 Galvanized Oiled Wire, 10 wires high with No 13 Galvanized Cross Wires, for less than 35c a rod, after the posts are set.

Compared with any ready made fence with the same number of wires, in the market, it will be found to be heavier and stiffer and at very little over half the cost.

You can buy them at the great Hardware Emporium at the East end, from Geo. Stephens & Douglas, General Hardware & Import Merchants.

P. S. With every sale of Superior Binder Twine we are giving away a splendid Map of Western Ontario.
