SAVE THE CHILDREN

Diseases defined as anything less than perfect health, Chiropractic locates and removes the cause of disease by hand adjustment. A weak child will not be a strong adult if it carries its weakness while growing. Many school children have defects which are prejudicial to health. Some have impaired hearing, others defective eyesight, and some have organic heart disease which affects the blood and whole muscular system. Chiropractic will prove a great help to many such cases and no harm to any. It costs you nothing for an examination or for consultation.

Insurance

The most important particular in regard to Insurance is not the Price but the SECURITY.

Insurance in all lines placed in the Strongest Companies, thus you get SECURITY which is the chief reason for taking out Insurance.

HAIL INSURANCE should be attended to at once. Don't lose that crop—SECURE IT.

E. N. Barker - Cardston

STOPPED HER HEADACHES

Years Of Suffering Ended By "Fruit-a-lives"

112 HAZEN ST., ST. JOHN, N. B.
"It is with pleasure that I write to tell you of the great benefit I received from the use of your medicine 'Fruit-a-lives', made from fruit juices. I was a great sufferer for many years from Nervous Headaches and Constipation. I tried everything, consulted doctors; but nothing seemed to help me until I tried 'Fruit-a-lives'."

After taking several boxes, I was completely relieved of these troubles and have been unusually well ever since". Miss ANNIE WARD.

50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

Calgary Branch Notes

Several visitors were in attendance at the Calgary Branch services on Sunday May 22nd. Bros. Whitehead and Frank of the Travelling High Council were present and gave us some very good instructions. Stake Chorister Sylvester Low and Bro. Windsor of Cardston were visitors and speakers at the afternoon services.

Miss Agnes McCune and Miss Mettie Hansen who have been attending the Garbutt Business College are leaving for Cardston where they will take up positions. We regret very much to see these young ladies leave for they have endeared themselves to all in the Branch during their stay in our city. We extend our heartfelt thanks for their willingness to help in whatever capacity they have been called upon and we also wish them success in their business career.

Mr. Chauncey Snow is practicing Law with the firm of "Barron & Barron" in this city and is a regular attendant at our services. Mr. Snow is a welcome addition to our branch for he is a very interesting speaker.

Mrs. Wu, Matkin is visiting with Mr. Matkin's mother at Leavitt Alta, for a few weeks.

Mr. Victor Thelin is a patient at the General Hospital where he underwent an operation. He is recovering nicely now and expects to be out in a short time.

Born to Mr. and Mrs. Berg, Ellingson on the 1st May a fine baby girl. All concerned doing well and Berg's smile is broader than ever.

Mrs. Wilford Woodruff of Munson, Alta, was a visitor in the city last week and while here was a guest of Mrs. Edward Downes.

Our Presiding Elder Bro. Henry Downes is very much improved in health.

Bro. and Sister Bennett of Magrath have moved to our city and have joined the Calgary Branch.

Mrs. Williams of Cardston is visiting her daughter Mrs. Irvine Christenson who was formerly Miss Mabel Williams.

Our Mutual Course "The Vital Problems of Life" which has been carried on under the Class Leadership of Bro. Edward Downes and Sister Mary E. Downes, is almost finished for the season. We have decided to carry on the meetings throughout the summer but it has not been decided yet what study we will take up. Sister Eva Ellingson and Sister Minnie Downes have charge of the Bee Hive girls and they have a very strong swarm here and are progressing wonderfully well for the short time they have been taking this work. Bro. Irvine Christenson is the teacher for the junior boys and altogether we feel that we have had a very successful season in this work.

The new place of meeting at the Nolan Hall is much more satisfactory as it is much quieter. We are not disturbed by the noises from the street.

Spring Coulee Wins First Game Of Season

The baseball season opened at Spring Coulee on Tuesday, May 24th, when Cardston suffered defeat at the hands of the localites by the score of 8-5. It was a splendid game all through except for the one disastrous innings, the unlucky 5th. From then on Spring Coulee was held scoreless, and although Cardston made two more tallies the handicap was too great to overcome.

The Spring Coulee boys are certainly a fine aggregation, which includes the young war horse, Jimmy Mercer, and a new pitcher by the name of Weider, and they will give Cardston a hard game here next Wednesday.

The Cardston team, though starting late, are getting well into shape, and they have a lot of good material this year, some of which is new to the Cardston diamond. They will give a good account of themselves in one coming game next Wednesday at 6:15. Everybody must drop work for this event and get the ball season off to a good start, for the kind of ball we are going to have this year will be regulated largely by the way the fans turn out. With the support of the citizens—who have always been behind the team—Cardston will have good ball again this year.
