Exhibition Building and Driving Park for the North Shore.

The matter of establishing an Exhibition building, grounds and track for the North Shore, on the Miramichi, which has for some time arcard the attention of Arricultural time engaged the attention of Agricultural Society No. 9 and leading citizens interested Society No. 9 and leading citizens interested in the improvement of horses and other live Gain Flesh stock, bids fair to matertalize. A meeting of the Society and citizens was held in the Town Hall on Wednesday evening of last week, presided over by Mayor Snowball, at which Mr. Geo. Hildebrand, in behalf of the Society's committee, explained what SION. It is strange, but it often had been done toward the object sought. The society had leased for a term of fifty years, with clause for another fifty year extention, the Loggan field property, excepting the part owned by Judge Wilkinson on which they had an option for purchase, and also one for the purchase of that of Mr. Arthur Johnson adjoining on the west. The formation of an exhibition association was suggested by Hon. Mr. Tweedie and after being discussed by that gentleman and is made. Messrs. Hildebrand, Geo. E. Fisher, Geo. Watt, the Mayor, Ald. Murdoch and others it was resolved to form an association. Messrs. R. A. Lawlor and Joseph Tweedie were appointed to prepare a prospectus and Messrs. Geo. E. Fisher. Geo. Hildebrand, Geo. P. Searle, Geo. Watt, J. D. Creaghan and Jas. Falconer to solicit stock. Hon. Mr. Tweedie said the association might rely on a grant of \$1,000 or more

ing for them, and if we go too general of the forces on ther Majes ty's staff, fell in love with pretty far out I guess there may be Margaret Sinclair, the factor' The Oklahoma man for the daughter. Before the vessel sailed the marriage was solemnized and Mar garet left her far northen home for like one of his prairie windmills on England.
