MR. KING.

Waterloo Election Will Probably be About June 22.

Berlin, May 9.—William Lyon Mackenzie King, M. P., who has just returned from China, will be introduced to the House tomorrow by Sir Wilfrid Laurier and the Hon. Mr. Lemieux, and will take his seat as member for North Waterloo.

It is understood that the bill creating the new portfolio of labor will be passed in the House this week, and Mr. King will be called to the Cabinet, in which event the by-election will be held about June 22nd.

HORSE IN CELLAR.

(Special Despatch to the Times.) London, Ont., May 10.—A fish dealer named Johnson took pity on a horse out in the storm on Saturday evening, and brought him into his kitchen. During the night the horse went through the floor into the cellar, and Johnson and his neighbors are still arguing how to get it out, as it is too big to come up by the stairway. A part of the house may have to be removed. The horse is uninjured by the fall, and is being fed in the cellar.

H. G. C. SHOOTERS LOST

Balmy Beach Won by 2 Points.

Hamilton Boys Had a Pleasant Time.

One of the most pleasant outings the members of the Hamilton Gun Club ever had was the verdict of the shooters who were lucky enough to take in the trip to Toronto on Saturday. It was the occasion of the annual trip to the Balmy Beach Gun Club. This trip is looked forward to, as the Balmy Beachers are royal entertainers. The Hamilton boys fell off the train into the arms of the whole club and remained there for the rest of the afternoon and evening.

The weather was ideal for shooting and the match one of the most exciting of the many held in past years by the two clubs, the Balmy Beachers winning out by 2 birds. After the 25-bird match and the usual sweeps had been shot, the Hamiltons were entertained at a banquet at the Ontario Jockey Club, where a bust which adorns the Balmy Beach grounds.

After the usual speechmaking and compliments and other things had been exchanged and the talent of both clubs in the direction of songs and entertaining, the Beachers conveyed the visitors to the theatre in a special car, where a large block of defeated birds was engaged. The boys returned to Hamilton on their special car at 11.10.

Any sport is surely elevated by the presence of such men as the Balmy Beach Club is composed of, as they are in the trap shooting game for the pure love of the sport and the monetary end of it is never considered by them. They are never seen in money events or competitions in which other Canadian clubs participate, although they are splendid shots, and are probably to be commended rather than censured for the attitude they take in this respect. They are the kind of men who do the most to advertise a city because they are the kind one likes to be among.

The match was at 25 targets per man, and resulted as follows:

Hamilton—Balmy Beach—Court Thompson 24 Lyndon 23 Barnes 22 McDuff 22 Scott 22 Ross 22 Bond 21 Craig 21 W. P. Thompson 20 Deane 20 Cantelon 20 Draper 21 Frank 20 Mason 21 Friend 20 Booth 20 Crooks 20 Pearsall 20 Johnston 19 Hunter 19 Casci 18 J. G. Shaw 19 Sweeney 18 J. A. Shaw 18 Smith 18 McGaw 18 C. F. Thompson 18 Trimble 18.

Total 281 Total 283.

Court Thompson gave a fine exhibition of how to shoot through a pump gun breaking 94 out of 100, which was not too bad in face of a trick wind.

Geo. Beattie, of the H. G. C., was second high, scoring 87. Hedgeson on Friday with 177 out of 200.

From the Scrap Heap

Hugo Kelly and Billy Papke are commencing to fill the public eye once more. The match between the boys, set for next Saturday, May 13, is attracting a lot of notice out on the coast and bids fair to draw a large crowd. Both are said to be gradually working down to weight.

New Orleans, La., May 10.—Young Fitzgerald of Milwaukee won the decision over Bert Garie, of New Orleans, in a ten-round bout here on Saturday night at the Royal A. C.

In the third round of the semi-final Sailor Jimmy Fallon, of the United States battleship Mississippi, knocked out Kid Lewis of Cleveland.

Chicago, May 9.—Battling Nelson will fight Mack McFarland on July 5, or he will not meet anyone before the Colma Club on that date. This is the decree of James W. Coffroth, Nelson's wired promoter from Denver, that he had Coffroth's permission to take on Thompson in place of McFarland for the rich July holiday date and meet McFarland on Sept. 9.

The scheme evidently made so much of a hit with the champion that he interviewed himself in place of Coffroth and announced that a go between himself and Thompson was on.

Coffroth evidently has not concurred with Nelson in the matter at all, for an enquiry as to his plans for settling the lightweight championship brought the following reply by wire:

I have no agreement with Nelson for Thompson fight. He signed for July 5 with McFarland, and I look to him to live up to his contract. He has wired me to substitute Thompson July 5, and he would take on McFarland Sept. 9. I replied that my arrangements had been made for the McFarland match, and that I could not change them. If he doesn't keep his contract I will ask Keith to box the winner of the Papke-Kelly, or O'Brien or Langford on that day.

(Signed) J. W. Coffroth. Nelson now is on his way to San Francisco to finish his training for Dick Hyland, whom he meets on May 29.

Philadelphia, May 10.—Paddy Lavin, of Buffalo, conceding twelve pounds in weight, defeated "Old" Russell, of this city, in a six round bout on Saturday night at the National Athletic Club. The Buffalo man was too clever for the Philadelphia and outgeneraled him in every round. In the semi-wind up Jim Smith, of Brooklyn, beat Harry Mansfield, of England.

Paris, May 10.—Sandy Ferguson, of Boston, made his first appearance in Paris on Saturday night at the Cirque de Paris, where he met Herbert Hall, ex-champion of the London police, in a fight which lasted less than two minutes. The men had hardly put their hands up when Hall fell to the floor from a push, not a blow. His head struck the boards with great force, knocking the policeman unconscious, and he was counted out.

Honey Melody, of Boston, also made his first appearance in what was to have been a 20-round bout with Willie Lewis, of New York. Melody went at his opponent viciously, but Lewis met him with straight lefts, punishing him badly. In the fourth round the New Yorker sent Melody to the floor five times, and there finally remained unable to respond to the call. The winner of this bout received \$4,000, and the loser \$1,000.

Toronto, May 10.—To-morrow night at the Mutual Street Rink Artie Edmunds, the clever local featherweight champion, is scheduled to meet Jack Knight, of Bristol, England, for the Canadian championship title, and with the title will go the splendid silver belt given by the management, and a side bet of \$200. Knight holds the English championship, which he secured from Joe Porter, and is claimed to have never been thrown during his professional career, and as soon as he arrived here promptly took and put up his money to show he meant business.

Scud Has Been Declared Out of the Race for the Guineas.

Toronto, May 10.—The following horses have been declared out of the King's Plate: Hon. A. Beck's Moorshot, A. H. Brenner's Gold Bottom, Caledon Stable Pertainax, John Dymont's Courton II, H. T. Pierson's Merry and Wise, J. E. Seagram's Great Head, W. W. Thompson's Lady O'Connor, Valley Farm's Scud, Woodstock Stable's Table Bay.

At the Woodbine on Saturday Hon. Adam Beck's Plater, Generous Moor, and Jack Parker, the three-year-old brother to Charles Edward, went a mile nicely in 48.

Supper Dance had a good mile and a half in 2:52.

Better Half did six furlongs in 1:20.41, and will be sent a mile or farther this morning.

Sauce of Gold had nothing left after a mile in 1:52.

Trainer Ed. Whyte had more than a little uneasiness on Saturday over the condition of the running of the Plate, Lady Milner and Cruche O'Or did their mile in 1:49.25, and the work was topped off by the rattling mile of Throckmorton's already noted.

Fort Gary also gave an encouraging display when sent along a mile and a furlong with Canine Maid. The rating was a trifle irregular, but the whole result was a capital showing, and the Barrie colors will be very creditably represented when the fifth running of the Plate occurs. The Fort Hunter colt went the first half-mile in 50.25 and nine furlongs in 2:02. This was the end of the work, but he was pulling up on the next furlong to cover a mile and a quarter in 2:17.25. This is the best move at the distance by any of the Platers, and it was accomplished without difficulty. The work was done by the half-way round the top bend to the head of the stretch, so that Trainer Dymont was not giving his horses any the best of it when they finished around the turn. It seemed greatly pleased with the steady improvement shown by the Fort Hunter colt under training conditions, and less regretful of the enforced absence of Courtown II. from Competition.

Mr. Seagram, who was a visitor on Saturday to see his horse for the first time since they left home, told an interesting incident of the ineffectual attempt of Richard Croker to buy Martians, the sire of Shimone, from the late Mr. Hendrie. The Tammany boss sent a representative to ask the price of the colt, but Mr. Hendrie said, "He is not for sale." The agent stated that he had been instructed to buy, and would start at \$25,000, but Mr. Hendrie replied, "Why, man, my horse is not for sale at any price. No amount of money would have been consideration sufficient to induce him to part with his champion."

The second contingent from Windsor, including as the largest lot Mr. George Hendrie's string, will come in on Wednesday.

The Governor-General's secretary has advised Mayor Ward that his Excellency will arrive in Toronto on Friday of next week to attend the Ontario Jockey Club meeting. Countess Grey, Lady Sybil and Lady Evelyn Grey will accompany him. The Vice-Regal party will occupy D. D. Mann's beautiful house on Scarborough Heights during their stay here.

FAST TIME AT LOUISVILLE.

Louisville, Ky., May 9.—Unparalleled in western racing was the sport witnessed at Churchill Downs Saturday. Six track records were smashed in as many trials by the contestants, and the finest were of the nose variety, causing the spectators to go wild with enthusiasm and cheer vociferously. Probably not since the heyday of Washington

Park has there been so much spontaneous enthusiasm displayed in racing by a big multitude as to-day, and it clearly shows that whatever other States may do regarding the sport, Kentucky's representative people will always hold it in high favor, and give it their best support.

Miami won the Clark Handicap, and the Orlando colt, Joe Morris, made a new American record of 52.45 for 4½ furlongs.

RACES AT DUNDAS.

The Dundas Driving Club promises a good program for the matinee at the Dundas track on Wednesday afternoon. Races will be held in three classes, A, B, and C, and the secretary reports that thirty-eight entries have been made. The sport will start at 2.30.

elaborate preparatory ceremonies, including a parade to the park of all amateur baseball clubs in the city and many from out in the State. Immediately following the flag incident, the champions will face the Giants for the second game of the series, the opening contest being scheduled for this afternoon.

SOCCER GAMES.

Large Crowd Saw Kilites Beat Lancashires.

Three games in the Hamilton District Association Football League were played on Saturday afternoon. The Ninety-First team won from the Lancashires, 1-0; the Westinghouse won from St. Luke's, 6-0, and the Hamiltons and International Scots played a tie game.

At Cotter's Field—Fully 300 spectators witnessed this match. J. Newton started the game against a slight wind. The Scots made a breakthrough, but the city defence proved equal to the attack. The city early on showed splendid combination and E. Fennell narrowly missed scoring. Give and take play ensued, neither side being able to claim the advantage and half time arrived with the score sheet blank.

After the interval both teams played with great determination and some splendid football was shown by both sides. First one team and then the other being on the attack. Salmon, Newton and D. Robertson went away with a combined effort, which resulted in the last named scoring the first goal of the match, amidst tremendous cheers. The game continued to be even, when with only three minutes left to play, Beaumont equalized with a well directed shot from a corner kick, which was well placed. Nothing further was scored and a keenly contested game resulted in a draw.

Final score: Hamilton City 1; International Scots 1.

At Sherman Avenue grounds—A large crowd saw the Kilites' team defeat the Lancashires by a score of 1 to 0. The Ninety-First won the toss and set the Lanc's facing the sun. Rodgers set the ball rolling, but Lawrence got his forwards going, who were the first to attack, but Smith relieved with a powerful kick, which placed the Kilites on the defence. Lloyd clearing finely. But clever work on the part of Coombs set Archer going, but Stevens robbed him just as he was going to centre. A pretty work on the left saw Eccles centre right across the field.
