last. The ostensible purpose of come the founder and leader of a this meeting was to afford the rival Grit aspirants to the candidacy of West Queens, an oppor tunity to express their opinions in self willing to abide the result of public, and to lay their respective claims before the faithful of their a convention of the party. party. It is not impossible that in a certain wing of the party there was a hope that the tangle between Mr. Farquharson and Mr. Haszard might be straightened out and that the candidate might be chosen. At any rate the choosing of a candidate was left to be decided by a convention to be called later. The place of meeting is within the district now represented by Mr. Farquharson in presented by Mr. Farquharson in the Legislature, and the speakers on the occasion included three of his doughtly followers in the shall see.

doubt there will be some skillful be able to force the Columbia about when she came around on the start board tack. The wind, however, be arrange the convention to suit himself. We shall see what we shall see.

and at 11.20 It looked as if she might the two boats the main boome trailed in the water as they lurched to leeward. These were tauted up clear of the sea, thereby spoiling somewhat the set of the mainsails. The stern chase is a long chase, but slowly the cld Columbia controlled to leeward. House, viz, Messrs. Whear Doug las and Simpson. There are some based Simpson. There are some who think the meeting was in tended to be a strong Farquharson gathering, planned to boom him for the candidacy. However this may be, certainly the speakers already named and several other local celebrities among the Grits who addressed the meeting, with possibly one or two exceptions, declared themselves strongly in favor of Mr. Farquharson as the Grit candidate for West Queen's. According to the reports of Mr. Simpson's speech, he appeared to be very noncommital. As a mat ter of fact, it is rumored that Mr. Simpson himself would be willing to place his talents at the disposal of his party for the candidoc has been addressed the meeting of the candidate of the candidate of fact, it is rumored that Mr. Simpson himself would be willing to place his talents at the disposal of his party for the candidoc has been addressed to be at the manual of the candidoc has been addressed the meeting of the candidoc has been addressed to the columbia solution to the port tack with Columbia beyan to the possibly one or two exceptions, declared themselves strongly in favor of Mr. Farquharson as the Grit candidate for West Queen's. According to the reports of Mr. Simpson himself would be willing to place his talents at the disposal of his party for the candidate for West Queen's according to the reports of Mr. Simpson himself would be willing to place his talents at the disposal of his party for the candidate for West Queen's according to the reports of Mr. Simpson himself would be willing to place his talents at the disposal of his party for the candidate for West Queen's according to the reports of Mr. Simpson himself would be willing to place his talents at the disposal of his party for the candidate for West Queen's according to the reports of Mr. Simpson himself would be willing to place his talents at the disposal of his party for the candidate for West Queen's according to the report of the favor and the favor disposal of his party for the candidacy of the Riding. Mr. Far quharson was the first to address the meeting, and in the course of his remarks he distinctly empha sized his determination to be a candidate for the vacancy created by the retirement from politics of Sir Louis Davies. He would not back down and he thought he should not be asked to back down for any one. That would be a humiliation from which he would not recover for the rest of his life. He thought he had done pretty well for his party in Pronatters, and he considered e had come for him to en broader field of Federals.

8. He took credit to him or good management in the arona, especially did he che was entitled to praise getting the thirty thousand ars a year from Ottawa. He innated that in any event he he uld soon retire from the Local adership and he thought it was a transonable that he should be subtitious to go up into a higher political sphere. He admitted that in the head of his retirement, that he would not be a candidate, but circums stances had changed since then, and he was now in the field and intended to remin there until as he considered the course pursued by the Guardian towards him was very unfair; the morning organ band the was now in the field and intended to remin there until as the sould not be a candidate, but circums at the considered the course pursued by the Guardian towards him was very unfair; the morning organ band the was now in the field and intended to remain there until as the sould not be a candidate, but circums and he was now in the field and intended to remain there until as we lies a you possibly can be had struck below the belt, he considered the course pursued by the Guardian towards him was very unfair; the morning organ band the was received the public figures showing the morning organ band the was received the public figures showing the morning organ band the was received the public figures showing the morning organ band the was now in the field and the sound of the present of the was a series of the public figures showing the morning organ band the was now in the field and the was now in the field and intended to remain there until as a thing of the present of the was the most of the present of the was now in the field and the was nown in the field and the was now in the field and vincial matters, and he considered the time had come for him to en

him to be his successor as the Liberal candidate for the Riding; but he intimated to Sir Louis that Mr. Farquharson would probably be in the field. Sir Louis assured him that Premier Farquharson had declared he would not be "in it." Mr. Farquharson's own statements on the present occasion bore out all this. In view but the Riding; button.

A cable despatch from New Zealand announces that Imperial Penny Postage down and came to leeward, then the Columbia luffed sharp on the port tack with Shamrock close on her heels. At 10.58 the Columbia was on the star-board tack. This manoeuver being followed by her rival. The Shamrock luffed to the windward of the line with the Sham rock now in the windward position. At the warning signal both yachts burs down and came to leeward, then the Columbia luffed sharp on the port tack with Shamrock luffed to the Columbia was on the star-board tack. This manoeuver being followed by her rival. The Shamrock luffed to the windward of the vine with the Sham rock now in the windward of the vine with the Sham rock now in the windward of the vine with the Sham rock now in the windward position. At the warning signal both yachts burs down and came to leeward, then the Columbia luffed sharp on the port tack with Shamrock luffed to the windward of the vine with the Sham rock now in the windward of the vine wind ward position. At the warning signal both yachts burs down and came to leeward, then the Columbia luffed sharp on the port tack. This manoeuver being followed by her rival. The Shamrock luffed to the windward of the vine with the Sham rock now in the windward position. At the warning signal both yachts burs down and came to leeward, then the columbia with Shamrock lone on her heels.

At 10.58 the Columbia was on the starting followed by her rival. The Shamrock luffed to the windward of the vine with Shamrock lone on the columbia was on the starting followed by her rival. The Shamrock luffed to the windward of the vine with Shamrock lone on the columbia was on the starting followed by h him to be his successor as the casion bore out all this. In view of these facts he allowed himself to be put forward as a possible candidate for West Queens. Under these circumstances he did not consider he should be asked to step aside. Mr. Haszard then modestly laid before the meeting what he considered his strong claims on the party. He took candidate for West Queens. Under the late of the spite of all efforts could not get clear. She was fammed under the lee of the challenger, a position not often occupied by the old defender. The Columbia, on the port tack tried to cross the bowe of the Shamrock, but in vain the challenger, a position not often occupied by the old defender.
