Address and Presentation.

On Sunday June 11th, the members of Branch 333, C. M. B. A., accompanied by the members of the Dramatic Club and their lady friends, assembled in their hall to bid good-bye with the Rev. Dr. Monaghan, who is removing to the charge of Misouche Parish. Bro. J. J. McGilvray acted chairman, and briefly stated the object of the meeting, and called upon the President J. A. O'Keefe to read the address, Brother D. A. McEachern making the presentation. Rev. Dr. Monaghan very feelingly replied, after which a pleasant hour was spent in conversation.

To the Rev. Martin Monaghan, D. D., Rev. Sir and Brother,—It is with feelings of deep regret that we, the members of Branch 333 of the Catholic Mutual Benefit Association of Canada, receive the intelligence of your intended departure. Since you became associated with us you have evinced an earnest devotedness to the interests of the Association, and particularly to the members of Branch 333. The introduction of new measures and especially the formation of a dramatic club have been crowned with success. In bidding you good-bye we would consider ourselves unworthy members did we not in some way show our appreciation of your efforts in our behalf. In conclusion we ask you to accept this purse as a slight token of esteem and respect assuring you that our association thought of short duration will always be kindly remembered. Signed on behalf of Branch 333, of the Catholic Mutual Benefit Association of Canada.

John A. O'Keefe M. Reid D. A. McEachern J. A. McDonald Peter J. Jackman REPLY.

Mr. Chairman, Brother Members Ladies and Gentlemen I feel most grateful to you for your kind words, and thankfully accept your gift. You are of that association whose members speak in deeds not words.—A member of the C. M. B. A., myself I feel it is a quasi obligation to spread a knowledge of the power for good among those with whom I labor. As an insurance Society it affords the safest and cheapest protection to its members; and it is only as a protection that insurance is a paying investment. But I look on the social side of the Association as a most important feature. The success of your entertainment this year is a proof of this; and for long years the pleasant memories of the hours spent with the "Mountain Rose" will be recalled, by the ladies and gentlemen who took part, by the parish and by myself. In my new field of labor, I will still have the C. M. B. A., with me and the same interest and brotherly feeling will be kept alive. My labors amongst you were but of short duration, but it was long enough to make many friends, both in and out of the Society, and the parting has its pang. My interest goes out to the Association, but the members of Branch 333 find a warm spot in my affections. May it ever flourish.

Our Great Annual White Wear Sale

OPENS SATURDAY MORNING AT 9 O'CLOCK,

And will continue all the following week. Beautiful Stock, Exquisite Trimmings, Splendid Values.

This is an event that the ladies have been looking forward to with interest, and it gives us real pleasure to show them this season undergarments, that are more dainty and charming, if anything, than they have been in the past. Beautiful materials correctly cut, some comparatively plain, others lavishly trimmed with lace, or embroidery and insertion, tucks, frills and drawn work. Lingerie underskirts are to be more in favor this season than for some years past, and certainly nothing is more dainty or appropriate, with the sheer muslins and other "tub" frocks now so much worn. We have a particularly nice assortment to select from, at prices so low that you will find it cheaper to buy them ready-made than to purchase the materials and have them made at home. However, we have both the garments and the materials. Below is a partial list:

Table with multiple columns listing clothing items and prices. Includes sections for Ladies' White Skirts, Ladies' Night Dresses, Men's Night Shirts, Ladies' Corset Covers, Ladies' White Blouses, Pillow Cottons, Table Linens, Children's Whitewear, and Colored Tabling.

These are only a few of the tempting bargains we have prepared for you during our Big Annual Sale. There are hundreds of things we have not space to mention, but we invite everybody to take advantage of this extraordinary opportunity to secure their wants in the white goods line. We are bound to make this sale a record breaker, and feel convinced that our high qualities combined with our exceptionally low prices, will make this store a busy centre while this bargain flurry lasts. The most and best for your money always at
