Norris' Arm Notes.

Ryan's home at Norris Arm, was the scene of a gay gathering Sunday afternoon the occasion being the wedding of Miss Mary Ryan, daughter of J. Ryan, Esq., and Mr. George Martin, of the employe of the Central Forest Co., of Bishops Falls. The ceremony took place at 7 o'clock in the afternoon by the Rev. W. Finn, in the presence of a large number of friends; the room had been daintily decorated with flowers for the ceremony, the work being performed by Mrs. Carrie Hamilton, of St. John's. The bride was supported by Miss Loder and the groom by Mr. T. Ryan; Mr. M. E. Martin acted as father-giver. The bride was handsomely dressed in a suit of brocaded satin with oriental trimmings and wore a wreath of orange blossoms and veil. After the ceremony a luncheon was served and a dance given, after which Mr. and Mrs. Martin left by express for Bay of Islands where the honeymoon will be spent. The presents were numerous and costly. The groom's present to the bride was \$200 in gold. At Norris Arm, June 27th, 1913.

Women Sailors.

A SALTCOATS CASE.
 There sailed out of the port of Boston, U.S.A., on 12th May, the schooner Hiram, which is commanded and chiefly worked by women. The vessel, which is 100 years old, is commanded by Mrs. Georgia Orne, and the only man on board is her husband, who has signed as first mate under his own name, the crew being women.

Mrs. Orne has owned and commanded the Hiram for some years. She is a good navigator and a daring and excellent sailor. Having had trouble with her crew of men last season, she determined to replace them with women, and on the 12th the ancient schooner, manned by women, sailed for the coast of Maine to pick up a cargo of timber for New York.

Mrs. Orne was at the wheel, and the doughty woman skipper gave her orders as sharply and accurately as any man could, while her female crew sang and cheered. There was a big crowd at the pier to see the Hiram off, and rousing cheers followed the vessel as she made her way out of the harbor. Every steamer gave the schooner a salute, and old skippers declared that the Hiram was as well handled as any crew of men could have done it.

This is not such a very exceptional case. Saltcoats was at one time able to boast of a female shipmaster who died in 1860 at the advanced age of 71. Miss Millar, whose case was mentioned in the House of Commons and whose career was described in many Metropolitan journals, was a daughter of W. Millar, for a long time a shipowner and wood-merchant in the West Indies. Every year she acted as clerk and "ships' husband" to her father, and when business affairs took an unfavorable turn with a resolution which might truth be called heroic, she took the command of an old brig, the Clitus, and became sailing-master. So successful was her restoring career that she was enabled to pay off a debt of \$700, which her father's estate had incurred, and to maintain herself in comfort, and bring up two sisters left dependent on her. The Clitus traded between Antrossan and the coast of Ireland, and for more than 30 years Miss Millar transacted all the business in connection with the vessel, engaged her own crews, and directed the ship's course through all weathers.

Betsy Millar, the heroine of this latter story, was well known in their youth in Scotland by Hons. John Anderson, James Baird and Mr. W. Frew.

Nickel's Big Show.

Big audiences attended the Nickel theatre yesterday afternoon and last evening. The pictures were exceptionally good and everybody was charmed with them. Misses Guerin and Gardner were heard in beautiful songs and they were obliged to repeat the choruses. This is their last week in St. John's and the place will be taken by the celebrated soloist John W. Myers, who is one of the best known singers of America. Manager Kieley has arranged a strong bill for the holiday to-morrow. Last night's pictures will be repeated this evening.

Attacked By A Dog.

AND BADLY BITTEN.
 Last night a young man named Jas. Tuff while going down Maxse's St. was set upon by a vicious dog and bitten in the left leg just above the knee. The flesh was badly torn by the teeth of the canine and blood flowed copiously. The man was brought home and attended by Dr. Macpherson who cauterized the wound. Tuff will be laid off from work for some time. Too many vicious dogs are allowed to roam the streets unmuzzled.

Ten Italians Killed.

Special to Evening Telegram.
KINGSTON, Ont., Yesterday.
 That ten Italians were killed by the premature explosion of dynamite at Echo Lake, near Parham, on Thursday morning, had nearly five thousand of money on their persons at the time they met death, was brought out at the inquest held into the cause of the explosion by Coroner Doctor Sanda. On a rock, some distance from the scene of the explosion was found the body of one dead man, embedded in the torn and crushed flesh, was a wallet containing three hundred dollars, and on another, a terribly mutilated body was found \$1500 in bills. All over the scene mingled with remnants of human bodies were pieces of bills, some of them high denomination. The testimony brought out the fact that the carelessness of the men themselves.

Football.

Last night's football match between the City and H. M. S. Cumberland resulted in a victory for the latter by two goals to one.
 In the first half a spirited contest was witnessed and the warship's team scored once through Adam.
 In the next half the locals played better and Dugan sent in the equalizer. Just before the finish, however, the visitors got in some pretty combination and the winning goal was scored.

The players were:
