

## At the City Hall.

The weekly session of the Municipal Council took place last night, there being present Chairman Gosling and Messrs. Anderson, Ayre, Withers, Bradshaw, Morris, Mullaly, McNamara and McGrath.

A considerable portion of the Board's time was occupied with the post outrage, which has been causing so much excitement in the city of late. The report of the Solicitor dealing with the case of City Impounder Dessert and the widow Earle, was read; also the judgment of Mr. Hutchings, J.P., and a resume of the evidence taken in the case. The views of every member present were heard on the question and the consensus of opinion was that the case was one of the greatest public scandals ever heard of, and something more drastic than a reprimand was due Dessert for his conduct. The Board will determine its action at a special meeting to be held during the coming week.

The Colonial Secretary stated that the Government had agreed to issue debentures for a further loan of \$50,000 in favor of the city, the latter to pay the interest.

Regarding the purchase of apparatus for Windsor Lake, Mr. Longley will be authorized to purchase same. The reports of the Sanitary Supervisor, Engineer and Health Inspector were read and adopted.

The meeting then adjourned until next week when they will give their decision on the post question.

## Our Boys on the Screen

Under the auspices of His Excellency the Governor a concert will be given in the Presbyterian Hall, on Tuesday night next, at which some of our best local talent will preside. A particular feature of the programme will be a magic lantern exhibition of our volunteers, which will show scenes of their stay at Pleasantville, and also their exploits and doings abroad. The pictures will be life-like in size, and as much care has been taken in preparing the lantern slides, a splendid display is assured. Everybody should attend Tuesday night's entertainment and see their boy.

## Hears From His Sons.

Messages were received yesterday by the Hon. Philip Templeman from his sons, Dr. Will who was with the Canadian R. A. M. C., and was then in London, and Don who had been discharged from the 3rd Australian Hospital at Lemnos where he had been undergoing treatment for frostbitten feet. He is now at the Convalescent Camp, West Mudros. The many friends of both young men will welcome the good news of their recovery.

### BELOW THE STANDARD.

How do you feel to-day? Not quite right? Energy a little below standard—not strong enough to make much exertion? Perhaps a slight cough?

Nyal's Cod Liver Compound is what you need. Don't get frightened about those words "Cod Liver." You'd never know it from the taste.

It's a real tonic containing cod liver extract, extract of malt, wild cherry and hypophosphites—a splendid combination. The cod liver extract builds you up and does the extract of malt. The wild cherry soothes the bronchial tract and the hypophosphites supply phosphorus to the nervous system—just the thing it needs.

And the taste is pleasant. As an all round tonic, strength restorer and body-builder, you'll find nothing better than Nyal's Cod Liver Compound—so why look further? You will be pleased.

## An Appreciation.

The Daily News of this morning announces the peaceful passing of a "lady elect" and a "true mother in Israel," in the person of Naomi, widow of the late Rev. John G. Currie, Minister of the Methodist Church. At the ripe age of 80 years, after a life of unostentatious quiet and effective service rendered to all, of every creed and class, and reaching beyond the limits of her own loved Church, the simple announcement of her death as having "passed peacefully away" is eminently fitting.

She was one of a type that is rapidly diminishing (for which the world is poorer). To converse with her was a real treat and refreshment, because of her well stored mind, and knowledge of affairs covering two or three generations. Her excellence of spirit, manifested in such gentle and true lady-like qualities, called forth the respect and esteem of all who came into close contact with her. Her latest activities were engaged in missionary and educational circles. The L. C. A. S. of which she was a valued member, when failing health compelled her retirement, missed greatly her help and counsel.

For over two years she has been confined to her bed, waiting quietly and patiently for the "sound of the Master's footsteps." At 4 o'clock this morning "she fell on sleep" and is "forever with the Lord."

She leaves two daughters, Mrs. A. Beach, in Carbonara; Mrs. J. Alex Robinson, of this city, to whom has been given the joy of reuniting a grateful and loving ministry to a "mother beloved," and two sons, John S. Currie, of the Daily News, and M. H. A. for the District of Berlin, and Wm. G. Currie, of the Nfld. Savings Bank, to these we offer our deepest sympathy in their bereavement.

We also desire to record our deep sense of privilege in being permitted to pay our tribute of respect to the memory of the deceased. M. F.

## Amusements.

### AT THE CRESCENT.

The Selig Company presents "The Jest of Jealousy" at the Crescent Picture Palace to-day, this thrilling western feature is produced in two reels and is a very exciting drama. The Lubin Company presents "Capturing the Cook," a comedy drama with Ethel Clayton and Joseph Kaufman, a Biograph mystery drama is "The Orient Ruby" and "Mr. Jarr Visits His Home Town," is one of the famous Jarr family comedy series produced by the Vitagraph company. Mr. Dave Parks sings "To Lou" a special vaudeville feature. On Monday "Above the Abyss" an Essanay two reel feature.

### THE NICKEL SHOWS

#### 20,000 Germans Captured.

The picture showing the capture of 20,000 Germans, attracted a large audience to the Nickel Theatre last evening, and it was keenly watched by all. It is a wonderful picture in its own sense of the word and all should make an effort to see it to-day. "Miss Jekyll and Madame Hyde," in which the great actress Irene Gardner is featured, was also closely followed. Sally Castleton and "Fatty" at the "Gaiety" were also splendid subjects. This evening the programme will be repeated and it will attract a large attendance as the Nickel is the centre of attraction on Saturday nights. Monday's programme will be one of the finest ever given here.

### BRITISH THEATRE.

The British Theatre was well patronized last night. Perfect musical interpretation of the pictures, skilfully manipulated effects and the popular admission fee of five cents have rapidly brought this splendid theatre high in the favor of theatre goers. The feature picture of last night's entertainment was a thrilling two-reel drama with Francis Ford in the lead and entitled "The Doorway of Destruction." The war scenes in this drama were particularly thrilling. Ford, as the hero of the Irish Regiment, was ably supported by Mina Cumani as the Colonel's daughter. The balance of the programme was also of a high order and included "The Clutch of the Emperor," "A Begus Bandit" and a comedy "The Butler's Busted Romance." This afternoon there will be a big continuous matinee of attraction on Saturday nights. "The Black Box."
