The Country Swarming With German Spies-Their Plans known to the Government - Mr. W. M. Dooley Says That Two of Them Visited Newfoundland.

Editor Evening Telegram.

Dear Sir.-Germany's treacherous intrigue against this country is the principal topic of discussion in this city to-day. The American people now know for a certainty just how much reliance to place in Germany's professed friendship for America. The Service Agents has set the whole America now realizes just, how much exhibit if they ever got a foothold in that territory. With Mexico as a base how easy it would be to swarm over the isthmus and bring South America to terms. The prompt repudia tion by Japan of any sympathy with Germany's designs against this hemisphere is gratifying. Japan's attitude has been regarded with suspicion statesmen and journals. The state
