## Our Budget Plan will bring the New Edison this Xmas!

THIS is the time of the year when our Budget Plan is most helpful. You ought to come in right away and find out what it can do for you.

In the first place, it will put a New Edison beside your Christmas tree, (how the family will rejoice!).

In the second place, it will stretch your Christmas' dollar so that you'll hardly feel the purchase.

The Budget Plan treats the New Edison as an essential of life, such as a home, and arranges payments on the sound "time" principle. It combines modern business practice with thrift.

This way of treating a dollar actually makes it go farther. Let us explain how the Budget Plan brings the longed-for New Edison for what an extremely ordinary gift would cost, and makes 1921 thrift pay for the balance.
