### WHY WORRY?

Sickness or injury—unexpected and unprepared for—is always a worry and burden to the whole family. The pain and suffering we cannot alleviate, but we can at least help to carry the financial burden. In fact, it has been our business for the last 26 years to pay the expenses of sick and injured people. We can do it for every reader of this paper, no matter how high or low may be your income, and we'll gladly tell you all about this plan if you only ask us.

Why not RIGHT NOW?
