deused Milk.)

Pills which contain antimony, quinine and calomel, should be avoided, as severe griping pains would be their only result. The safest, surest, and best pills are Parson's Purgative or Anti-Bilious Pills. More than forty years have elapsed since Johnson's Anodyne Liniment was first invented, during which time hundreds of thousands have been benefited by its use. Probably no article ever became so funiversally popular with all classes as Johnson's Anodyne Liniment.
