ern Canada League which is published in the Albertan this morning, is a very historic document, one that has been prized very highly by the league moguls, so highly in fact that not until if came over the Associated Press wires yesterday morning did any of the newspapers have a very definite idea what the curio was like.

President Gray and Sercetary Horner are new to their jobs and perhaps on these grounds may be excused for the apparent lack of faith in the news papers of Western Canada. But it is time that they got wise to themselves and learned that the newspapers of Western Canada or of Calgary, at least, will not stand for such insults as the Edmonton men have just tendered to them.

Baseball owes its existence to the newspapers and it is no more than right that the newspapers should expect some common courtesy from the men at the head of baseball. In she men at the head of baseball. In she men at the head of baseball in she men at the head of baseball in she men at the head of baseball in the tracked and not until that day are they published or commented upon. This givs the papers time to get the document linto type, and it take considerable time to set them up. They are sent out for "time copy."

But here in Western Canada, although the schedule had been agreed to for fully a month, the papers were not given a copy of them until the day upon which they were to be published.

It just happened that the incident did not affect the Morning Albertan.

The meeting last night held in Hilhurst Club House, in connection with the resignation of the club from the Calgary City and District Soccer League, decided that having received no intimation from the league as to that body's intentions in regard to the club's resignation, that no decision be come to until after the league meeting on Tuesday next. The arguments used were long and varied and the general idea was that although itwas expected a decision would have been handed out by the league last Tuesday, the club had better refrain from stating anything further until a definite position had been taken by the league.

Moose Jaw, Saski, April 24.—Jim Brown of Vancouver, will manage the Moose Jaw team in the Western Canada League and is at present recruiting his team from the Northwestern league clubs. The team will arrive in Moose Jaw in time for the opening game of the season with Saskatoon, May 5.

Last night the league was further advanced when the Boy Scouts and C.P.R. met on Western Canada College grounds. There was a good attendance of spectators, and the game was a good one. The C.P.R. were a much heavier lot and had a splendid defence. The little centre half and the centre forward and inside right were also very good and the score at the end was four goals to nothing in the railroaders favor. The Boy Scouts were well served by their goalkeeper, but the backs were weefully weak. The outside right was a fast man, and credit must be given to the little chap who played at half back, and many of the bigger fellows could take a lesson with profit from him. Mr. A.
