#### GLENCOE AND VICINITY.

Merry Christmas.

Miss Aggie McEachern is spending Christmas in Detroit.

Miss Cloney will spend her holidays at her home in St. Catharines.

Miss Annie Lockwood, of Melbourne, is visiting friends in Glencoe this week.

Miss Harris has been re-engaged to teach in school section No. 4, Brooke, at a salary of \$325.

Mr. D. Taylor requests us to say that he is not a candidate for councillor in ward No. 1, Mosa.

The rural schools close for the Christmas vacation on December 23rd, and reopen on January 5th.

Mrs. R. C. Twiss and Miss Tena Sutherland are spending Christmas with Mrs. Thompson at Rondeau.

Mr. Peter McArthur, who has been doing editorial work on the New York press, is home for a few weeks.

Mr. G. C. Adams and sister, Mrs. A. Harrington, of Leamington, are spending a few days with friends in town.

In answer to a query we may say that Mr. Bayne is not our correspondent at Newbury, nor has he been for some time.

There will not be any meeting of the young people's society of the Church of England for the next two Friday evenings on account of the holidays.

A. S. Weekes, surveyor, formerly with Messrs. Coad & Robertson, of Glencoe, will open an office in Clinton about Jan. 1st.

Thirty-two candidates wrote on the high school entrance examination. Over half of them were plucked on the three R's.

Margaret Matheson, of Aldborough, widow of the late Christopher Matheson, died on Tuesday, aged 77 years. Funeral to-day.

#### F. W. MEEK,

CHEMIST. STATIONER.

We invite the public to carefully consider our facilities for serving them in our many lines. If you want to get the best, the way to get it is to patronize the house that carries the best assorted stock, that has had the greatest experience. We go direct to the great trade centres for our goods. We pay no middlemen big profits. We can sell cheaper than our rivals. If you do not believe this drop in and take a look at our stock of

ALBUMS, HAIR BRUSH AND COMB CASES, LADIES' COMPANIONS, OXYDIZED SILVER CASES AND COMPANIONS.

Also Bibles and Hymnals, and other Holiday Goods too numerous to mention.

The death occurred on Tuesday, from inflammation of the lungs, of Mr. Neil E. McKellar, 10th con. Brooke, in the 35th year of his age.

Last week's Saturday Night contained a laudatory notice of Mr. P. McArthur, who has achieved success in New York by his humorous writing.

Of the candidates writing for entrance to the high school, ten are from Moss, ten from Ekfrid, eight from Glencoe, two from Caradoc and two from Metcalfe.

Miss Elena Attwood, who is engaged for next year to teach in No. 2 school, Moss, is a daughter of A. C. Attwood, Vanneck, and sister of Albert E. Attwood, of Ottawa.

The annual entertainment by the Glencoe high school literary society on Friday evening was, we learn, very largely attended and the programme gave good satisfaction.

Mr. Chas. Macfie has been engaged to teach the Appin school in 1891 at a salary of \$444. Mr. Walter Campbell, the retiring teacher, was made the recipient of a valuable gift from his pupils on Tuesday evening.

The Strathburn mail carrier requests us to state that he purposes prosecuting the parents of a number of children who are in the habit of throwing missiles at him and using insulting remarks towards him if the annoyance is persisted in after this date.

The supplement this week is presented to our readers by the carrier. Town subscribers hitherto have been very liberal to the carrier at Christmas time and he hopes they will show their appreciation of his gift this season as well as if he had issued the usual address.

R. Donnelly has returned from Lucan, where he purchased \$50.00 worth of stock and implements for the Donnelly home. He purposes increasing the stock at once, and desires it to be understood that in future any sales made off the place are to be made by him only.

Mr. Rose, teacher S. S. No. 7, Ekfrid, was presented by his pupils with an address and travelling case and scarf pin on his completing his engagement in that school. The address was signed on behalf of the school by Mary Jane McKay, Jennie Devlin and John McLean.

Several of our young sportsmen purposed going rabbit hunting on Christmas Day. Of course they wanted a dog. Seeing a hound running around our streets—owner unknown—one day last week they gave chase. After several hours earnest but futile pursuit of the

coveted animal, it was dubbed "a useless mongrel, anyway," and the chase abandoned. Only temporarily, however, for on Sunday afternoon the dog was observed by one of the sports, and the party began the quest once more. But all in vain, threats and entreaties were alike unavailing and the probability is the boys will have to do their hunting unassisted by the "dog."

Sunday School anniversary services were held in the Methodist church on Sunday. In the morning the service was ably conducted by Rev. J. Henderson, of Newbury, who took his text from 2 Kings, v. 3. Rev. J. H. Kirkland, of Appin, occupied the pulpit in the evening, and gave an earnest and touching sermon from the text in Psalms, cxviii. 6. Open Sunday School was held in the afternoon, and addresses were given to the children by the pastor.

The following former pupils of Glencoe High School have succeeded in securing Second Class certificates. Those passing Chatham stood highest in their class and have all been engaged to teach next year:—Chatham Model School—Thos. Watson, Chas. Macfie, Phil. Mugan, Arch. Graham, Mary McLean, Maggie McMillan (Crinan); at Strathroy—Henry McLean; at Sarnia—Maggie Miller, Maggie McMillan, of Rodney, also a pupil of Glencoe school, secured a Third at St. Thomas.

Home for the holidays.—Mr. A. McLean, from Knox College, Toronto; Mr. C. A. Stuart, from Toronto University; Mr. Angus Graham, from McGill College, Montreal; Mr. P. D. White, from Toronto Medical College; Miss Graham, from Dorchester Station; Mr. Hugh McEachern, from Detroit Medical College; Mr. Arch. Graham, from Chatham Business College; Miss Maggie Squire, from Wallaceburg; the Misses McRae, from Brantford Ladies' College; Mr. J. G. Bayne, from Toronto Medical College.

On Friday morning Master Evan

### VEGETABLE A Great Blood Purifier

### A Sure Cure for DYSPEPSIA

#### A Medical Triumph! A Very Bad Case!

HOW THE HEALTH OF ONE OF BELLEVILLE'S CITIZENS WAS RESTORED.

Remarkable Cure of Dropsy and Dyspepsia.

MR. SAMUEL T. CASEY, Belleville, writes: "In the spring of 1884 I began to be troubled with Dyspepsia, which gradually became more and more distressing. I used various domestic remedies, and applied to my physician, but received no benefit. By this time my trouble assumed the form of Dropsy. I was unable to use any food whatever, except boiled milk and bread; my limbs were swollen to twice their natural size; all hopes of my recovery were given up, and I quite expected death within a few weeks. NORTHROP & LYMAN'S VEGETABLE DISCOVERY having been recommended to me, I tried a bottle with but little hope of relief; and now, after using eight bottles, my Dyspepsia and Dropsy are cured. Although now seventy-nine years of age, I can enjoy my meals as well as ever, and my general health is good. I am well known in this section of Canada, having lived here fifty-seven years; and you have liberty to use my name in recommendation of your VEGETABLE DISCOVERY, which has done such wonders in my case."

MR. JAMES JOHNSTON, 4th con., 7th lot, Amaranth, writes: "Two bottles of NORTHROP & LYMAN'S VEGETABLE DISCOVERY cured me of Dyspepsia. Mine was a bad case and I had tried a number of other preparations without getting any benefit from them."

#### Dyspepsia Had to Go.

MR. W. J. DEYELL, Wingham, carpenter and builder, writes: "Three years ago I was greatly troubled with Dyspepsia; a pain between my shoulders was so bad that I thought I would have to quit work altogether. No medicine gave me ease until I got a bottle of NORTHROP & LYMAN'S VEGETABLE DISCOVERY, which gave me relief. I continued using the medicine until I had taken three bottles, when I was perfectly well. I consider it invaluable as a cure for Dyspepsia. I know of several persons who have used it with the same benefit."
