

Catarrh

The cause exists in the blood, in what causes inflammation of the mucous membrane.

It is therefore impossible to cure the disease by local applications.

It is positively dangerous to neglect it, because it always affects the stomach and deranges the general health, and is likely to develop into consumption.

Many have been radically and permanently cured by Hood's Sarsaparilla. It cleanses the blood and has a powerful alterative and tonic effect. M. J. MacDonald, Toronto, Ont., writes: "I had catarrh, my system was weak, blood was bad, and my liver torpid and inactive. I tried many medicines without benefit until I began taking Hood's Sarsaparilla. This medicine has completely cured me and I highly recommend it to all sufferers."

WESTERN WILL BE SUCCESSFUL

Merchants and Manufacturers Working With Directorate.

Monday Will Be One of the Biggest Days—Many New Attractions Secured by Secretary Nelles.

The sub-committee of the Western Fair that has been interviewing the city merchants and manufacturers regarding assistance in making Citizens' Day a memorable success, have been received in a most gratifying manner, and have been given every assurance of co-operation. A holiday will also be proclaimed for the schools, and there is every reason to believe that Monday will be one of the biggest days of the exhibition.

The Fair will have a veritable Midway, filled with high-class attractions, amusing and educative, among them being cages of lions, hyenas, tigers, bears and snakes. There will also be the streets of Cairo, with genuine Oriental bazaars, celebrated glass blowers, by whom neckties and dresses are woven from glass, and various other articles are made; Till's world-famous marionettes, amusing to both old and young; man-eating alligators, trained donkeys, to amuse the children, and Boscos, the snake eater.

For Monday, the opening day, the full programme of special attractions will be presented in the ring together with Willis Hassan, the head-to-head balance.

Secretary Nelles has returned from Toronto where he secured a number of special attractions. A great drawing card for the Fair will be the picture "Christ in the Temple," a most interesting work, and will be seen in the art gallery, on the south side of the main building, together with another work of art, "Not Guilty," by Stuart Taggart, of Ottawa. Two beautiful models of ocean steamers are also to be seen in the main building. A special effort has been made this year to secure London firms to exhibit in the main building, and the result will be noticeable to every visitor.

Many manufacturers and retail and wholesale merchants, both here and elsewhere who have not participated in the Fair for years, have consented to exhibit again, and they have assured the directorate that it will not be on a small scale.

GRAY & PARKER. "Always the Best of Everything for the Least Money." GRAY & PARKER.

THE way this business has grown is a wonder to some people—but it is easy when you understand the workings—only the old adage, "small profits make quick returns."

Goods are turned into money before they become shopworn, and the stock is always bright and new. Goods are well bought, there is good light and experienced salespeople, to make buying a pleasure.
