WANT A STREET OPENED East End Property Owners Present Petition to Board of Works.

Would Like Dufferin Avenue Continued East From English Street.

The board of works met last night, and dealt with a small list of business.

Mr. W. C. Fitzgerald, barrister, appeared on behalf of a number of property owners who desire to have Dufferin Avenue opened up from English to Ontario street.

Regarding the alleged smoke nuisance in the city, the committee decided that in view of the fact that there is no smoke by-law, the council be recommended to take no action, as the passing of such a by-law would be prejudicial to the manufacturing interests of the city.

The application of George Harte, per E. W. Scudchard, for compensation from the city for having fallen on an alleged defective roadway at the corner of Richmond and York streets, was referred to the engineer.

Buffalo, Boston and New York, they are surely entitled to some appreciation in London.

Interesting Ceremony Performed at St. Paul's Last Night. The installation of the dean, archdeacon and canon, recently appointed by the Bishop of Huron, attracted a large congregation to St. Paul's Cathedral, last night.

The regular service of evening prayer began at 8 o'clock. At the close of this the bishop announced the transferral of his official seat and that of the cathedral chapter from the Cathedral of the Holy Trinity to the Church of St. Paul.

At that time it was proposed that the Cathedral should be Holy Trinity, but it was necessary to make the change. The present deed was to show the continuity of his action. The deed conferring the benefice on St. Paul's was read by the acting chancellor and handed to Dean Davis.

The installation was impressive, being conducted by Dean Davis, Archdeacon Richardson, Williams, Hill and Young. Following the reading of the presentation by the lord bishop, the candidate would make reply, while in the course of the reply, the bishop would lead him to the stall allotted to him in the cathedral.

The installation was as follows: Venerable Evans Davis, M. A., Archdeacon of London, and Rector of St. James' Church, as Dean of St. Paul's Cathedral.

Rev. William Arthur Young, D. D., Canon of St. Paul's Cathedral, and Rector of St. John's Church, Woodhouse, as Archdeacon of Norfolk.

Rev. David Williams, M. A., Rector of St. James' Church, Stratford, as Archdeacon of Perth.

Rev. Arundel Charles Hill, M. A., Canon of St. Paul's Cathedral, and Rector of Trinity Church, St. Thomas, as Archdeacon of Ely.

Rev. James Banning Richardson, M. A., Canon of St. Paul's Cathedral, and Rector of St. John's Church, London, as Archdeacon of London.

Rev. John Downie, B. D., Rector of Trinity Church, Stratford, as Canon of St. Paul's Cathedral.

Rev. J. C. Farthing, M. A., Rector of St. Paul's Church, Woodstock, as Canon of St. Paul's Cathedral.

Owing to illness, Rev. William Craig, B. D., rector of Christ Church, Peterborough, who was also to have been installed as a canon, was prevented from being present.

The installation sermon was preached by Rev. Prof. Cody, of Toronto. He said at the outset that it was proper that this solemn ceremony should be performed in public.

THE WOODMEN'S CONCERT Programme at the Auditorium That Was Highly Pleasing.

Local and Outside Talent Assisted—Attendance Was Limited.

The concert in the Auditorium last evening only lacked a larger attendance to make it an entire success.

As it was, those who were there thoroughly enjoyed the programme, as given under the auspices of Pine Grove Camp, Uniform Rank, No. 6, Woodmen of the World.

The Elite Orchestra opened the programme and was followed by Mr. Frank Parker, baritone, who was accompanied during the evening by Mrs. Boyes, of Lambeth.

"Out Where the Breakers Roar," was his first song. During the evening he also sang the "Skipper," as well as several other songs.

Miss Margaret McCoy is fast becoming one of London's favorites, and last evening she delighted her audience with "The Nightingale's Song," "Wine, Thou Art Near," and "Sweetheart, the Morning Dawns," besides responding to requests for "The River and the Sea."

A feature of the evening was the comic songs of Mr. Bert Harvey. This was the first appearance here of this leading Toronto humorist, and he made a most favorable impression. He sang first, "The Military Model," then "The Grocery Clerk," and "Really 'Squid Stop Dancing," as his last number.

His songs "took" all right, every one being enjoyed, and no doubt a London audience will welcome him back. The accompanist of the evening was Mr. C. E. Wheeler.

World's Fair Arrangements. Mr. G. T. Bell, of the Grand Trunk Railway system, has returned from the American General Passenger and Ticket Agents' Special Convention at St. Louis, at which World's Fair arrangements and excursions were considered.

Mr. Bell spoke in behalf of the Canadian lines which were complimented by the World's Fair officials for the comparatively large amount of publicity already given with the object of promoting the success of the fair, upon which there has already been spent by the Exposition Company fifteen million dollars, aside from the millions being spent by each state and territory, foreign countries, and individual exhibitors and concessionaires.
