London Curlers Are Arranging Big Tour

Will Take Two Weeks' Trip and Play Games in Several Places, Including Detroit, Toledo and Grand Rapids—Details Being Planned Now—Agreement With Thistle Club To Be Ratified.

[BY JINX.]

The Thistle Curling Club and the London Curling Club have come to an understanding. A meeting of the latter will be held Friday evening in the London House to ratify the agreement by which the London Club will use the Thistle rink for its curling this winter. The London Club will also discuss among other things a tour which three or four rinks of its members will make this coming winter. Although this tour has been but roughly outlined so far, it is the intention to start from London some time in January and play games in Strathroy, Sarnia, Port Huron, Detroit and Grand Rapids. Returning, the rinks will go to Toledo, then back to Detroit, then to Windsor, Chatham and Glencoe. The tour will last about two weeks. Already members who can take it in are being located, and it is expected that in a couple of weeks, the entire personal of the rinks will be known.

Grand Rapids Sends Invitation.
Last week the club received a hearty invitation from the Grand Rapids Club to visit that city this coming winter. It is seldom that a London rink goes to Grand Rapids, but if it is possible to include a visit to the curling club in that city in the London Club's tour it will be done. The fact that the London Club will not have a rink of its own this winter,

but will have to share its games with the Thistle Club members, will make it more convenient for the curlers to get away. The London Club will likely play more away-from-home games this winter than it has since the club was organized.

The Agreement Between the Two Clubs.

The agreement between the London and Thistle Clubs is one that will benefit both clubs. The London Club will always have a sheet of ice to play on, no matter what event is being pulled off by the Thistles. The London Club will hold its regular weekly bonspiel on Thursday nights as usual, and the Thistle bonspiel will be held regularly on Wednesday nights. Inter-club games will be played every Monday evening throughout the season. These will be games arranged between two rinks from each organization. Both clubs will be able to look after their regular cup and challenge cup games, but on the night of these matches one sheet of ice must be left for the use of members of both clubs not participating in the match games. Each club will use the club room and other privileges of the rink, just as though they were one organization. The registrations for the tankard and district cup games have been sent in by both clubs. The London Club sent in thirty names, while the Thistle list was double that.

OSKEE NEALE PLAYS AGAINST CHIEF GARLOW

Two Canadian League Players Came Together on Gridiron in Game in Which Neale Starred.

In a recent Rugby game between two big colleges in the United States, two Canadian League players were pitted against each other. One of these players was no less than our old friend Oskée Neale, while the other was "Chief" Garlow, the Hamilton pitcher. The teams playing were the University of West Virginia and the Indian College, Carlisle. The Indians were victorious by the score of 29 to 0, but the star of the game was Oskée Neale, former London outfielder, but now belonging to Toledo. Neale played a remarkable game, according to the press dispatches, and his team would have been beaten by a much larger score had it not been for his wonderful punting.

In commenting on the game, the New York Telegraph praised Neale, and also mentioned that he was a player of some note. Oskée is one of the best football players ever turned out in West Virginia, but his friends have advised him to give it up for fear he will meet with an injury that will put an end to his promising baseball career.

SARNIA COLLEGIATE FAILS TO UNDERSTAND JOKE

Claims It Was Much Put Out By London Collegiate Team, Which Did Not Show Up.

The Sarnia Collegiate Rugby team is wondering just what kind of a game the London Collegiate put over on it. The Sarnia Collegiate made all arrangements with the L. C. I. to play off for the Western Ontario championship in Sarnia on Saturday, and advertised the contest extensively. But the local institute team failed to show up. The game was to have been played previous to the Sarnia-London O. R. F. U. contest, and the Sarnia Collegiate players were at the park in uniform before they learned that the L. C. I. team had not come.

The Sarnia Collegiate claims that all arrangements with the L. C. I. were made for the game, and they cannot understand why they should be made jokes of in that fashion. They say it is a pretty poor piece of sportsmanship. The local Collegiate Rugby team disbanded two or three weeks ago after some of its best players were seriously injured in a game at St. Thomas.

GIANTS BEAT SOX AT THEIR TRAINING CAMP

Tesreau Held Chicago to Four Hits, While Giants Made Eighteen.

Marlin, Texas, Nov. 3.—The world-touring New York Nationals and Chicago Americans found today's game in Marlin a festive "home-coming" event, since the players of both teams have trained here in the past. The Giants won by 11 to 1, 10 runs hitting, while Tesreau was holding Chicago to four hits. The score: R. H. E. New York...12 2 0 0 1 2 3 18 2 Chicago...0 0 0 0 0 0 0 11 4 3 Batteries—Tesreau and Meyers; Benz, Faber and Daley.

LOCAL PIN SPILLERS ARRANGING GAMES

Invitation to St. Thomas Has Been Accepted and Games Will Be Played.

WILL PLAY OTHER GAMES

May Make Several Trips to Outside Towns This Fall and Winter to Play Friendly Games.

A team of local pin bowlers will make a visit to St. Thomas some night this week or next week, and play a friendly game with a team of St. Thomas bowlers. Arrangements for the trip are being made at present, and it is likely the local team will also make trips to Ingersoll, Woodstock, Sarnia, Port Huron, Hamilton and Toronto.

An Invitation From St. Thomas.
The St. Thomas team has extended an invitation to local bowlers to play a series of friendly games both in London and in St. Thomas, and the invitation has been enthusiastically accepted by the London trundlers. The city boasts of some pretty good bowlers at present, and no trouble will be experienced in getting up a team. A couple of years ago local bowlers made many visits to outside towns and played games, but last year there was not much done in this line. However, the game is being revived, and it is not unlikely that a city league will be formed during the winter months.

HIS BLADDER WAS TERRIBLY INFLAMED

GIN PILLS Brought Relief

Larder Lake, Ont., March 28.

SIX-DAY BICYCLE GRIND HAS STARTED AT BOSTON

Fred Keefe, Australian Rider, Had Bad Spill Last Night.

Boston, Nov. 3.—The first night of riding in the six-day bicycle race at the Arena brought a shake-up among the score of professional riders. Willie Coburn, of Newark, and Clarence Carmen, of New York, and Fred Keefe, of Australia, and Joe Kopsky, of New York, dropped a lap in a sprint started at 11 o'clock. The other teams at midnight had covered 191 miles in eight hours of riding. Keefe was badly hurt in a spill one hour after the race began at 4 o'clock. Losing control of his machine, he plunged over the rail into the grand stand. After receiving surgical treatment, he resumed riding, and at midnight was following the leaders, heavily bandaged.

LONDON BALL CLUB WILL HOLD MEETING

Directors Have Been Called Together To Discuss Manager Question.

A meeting of the London Baseball Club will be held some time this week for the purpose of discussing the question of obtaining a new manager for the season of 1914. The club has many applications for the position, and a good man will be secured.

Several other matters will come up and be talked over. The club has also decided the question of a park to play in for next summer, and that is going to take some figuring. It almost looks as if Canadian league games in London in the future will not be played at Tomsesh Park.

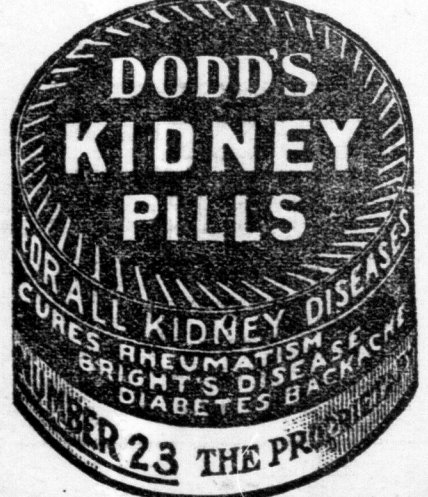

GEORGE PRODGER PICKS NEW WESTMINSTER TO COP COAST LEAGUE TITLE

Also Says That Quebec Looks Good Enough To Again Cop N. H. A. Title.

George ("Goldie") Prodger picks New Westminster to win the Pacific Coast League hockey championship this coming winter, while he chooses his own team, Quebec, to cop the N. H. A. title. George is back home in London for a few weeks prior to the opening of the hockey season, and it is likely he will do all his preliminary training here. He expects to have one of his good years in about Dec. 1.

"Goldie" is looking fine at present and expects to have one of his good years in hockey. Everybody was glad to see him, he said.

"When I arrived there a couple of months ago," he told The Advertiser yesterday, "they all wanted to know whether I was going to stay to play hockey." "I told them," he continued, "that if they could fix it with the Patricks, I would. They did, and I signed a contract. I think Quebec will win the N. H. A. honors again this year. They are building a new big arena there, and the city is very enthusiastic over hockey."
