The Hale Street Mothers' Club held an interesting sewing meeting Wednesday afternoon at the home of the president, Mrs. John Hosie, to start work for the War Memorial Children's Hospital equipment. At the tea hour, Miss Eva Biggar gave songs, accompanied by Mrs. T. Benson, and Irma McClurg a reading. The next sewing meeting will take place on Thursday. March 30, at the home of Mrs. Lashbrook.

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quick by a simple method that just dissolves them. To do this get about two ounces of peroxine powder from your drugrist—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads only open the pores of the skin and leave them open and unsightly—and unless the blackheads are big and soft they will not come out, while the simple application of powder and water dissolves them right out, leaving the skin soft and the pores in their natural condition. You can get peroxine powder at any drug store and if you are troubled with these unsightly blemishes you should certain—ly try this simple method.—Advt.
