### HAS A MEANING

If there is one practice more dangerous than neglecting a headache alloquether, it is taking drugs simply to numb the pain. Headaches are nature's warnings and serve a useful purpose. They tell of a function overtaxed or deraged and the wise man or woman takes steps accordingly.

When the Kidneys are not performing their natural function the blood stream becomes clogged with impurities—a fruitful cause of headaches, concant

their natural function the blood stream becomes clogged with impurities—a fruitful cause of headaches, conctant headaches, and more serious complaints if nature's warning is not heeded. The sufferer feels sluggish, unwilling to work, the back aches and there is a dizzy sensation on stooping. If the cause of the trouble is unchecked, Rheumntism, Lumbago, Swollen Joints and Ankles follow, mult Gin Pills and Ankles follow, in Gin Pills arresported to and the Kidney action restored to normal.

Many so-called remedies for anaemaia are only so in name. Their makers are afraid to prove their telaims by telling what their medicines contain.

The only way to be honest with the people is to let them know what they are paying for. Here is the Vinol formula. When the doctor knows what a medicine contains, it ceases to be a "putent" medicine.
