TRADE AT HOME AND BUILD UP YOUR TOWN

Do YOUR part in building a great City of Campbellton, and the growth of the Bay Chaleur County, by patronizing Campbellton and Bay Chaleur Merchants and Factories. Every dollar you spend in Campbellton and Restigouche county circulates and leaves a profit in every hand that holds it. Money sent away from here rarely returns—when you send it away you are deliberately sapping the life and strength of your community. To patronize home industries is a duty every citizen owes to himself and those he loves.

THE BOARD OF TRADE.

HAS our community a Board of Trade? How often does it meet? Once a year or EVERY WEEK? What is it doing to increase its membership? Has it BURIED the last of the knock-
Board of Trade meeting EVERY week in the year? The BEST towns have a
membership takes in farmers, as well as business men. There is something DOING all the
time. The greatest energy is expended on boosting the HOME market. Everybody works at
this, and the result is the Board of Trade puts the town on the MAP as a LIVE community.
This is all true of the BEST towns. Is OUR town in this class. Are we content to be any-
thing less than the BEST? Let's get into THAT class and work EACH day to STAY there.
