The Toronto World

The Only One-Cent Morning Paper in Canada, and the Only Exclusively Morning Paper in the City of Toronto.

TO CITY SUBSCRIBERS

We should esteem it a favor if subscribers in the city would immediately report to us any irregularity or incivility on the part of carriers.

THE MINISTERS OF NEWMARKET

are arranging for a joint thanksgiving service. This is better than the ordinary thanksgiving in the several churches of the town.

THE OWEN SOUND ADVERTISER

says it has the assurance of the Grand Trunk that that company will carry at least 4,000,000 bushels of grain yearly over the Toronto, Grey and Bruce if the courts confirm the agreement between the two companies.

WHAT A PITY

that the city commissioner could not be induced to spend an hour or two each day on the banks of Garrison creek! It might lead him to turn some attention to that odorous stream, and perhaps cause action to be taken to cover it out of sight.

THE ST. GEORGE'S SOCIETY

of this city, after quite a struggle, has decided, on a vote of 15 to 13, to refuse Mr. Goldwin Smith's name as an honorary member of that body.

COOKING

is the only conspicuous part of domestic work that has not yet deserted the home, but it is yielding. The bakery is often called for bread and pastry, and occasionally for meats.

WILSON'S LAND

might lead to a serious wrangle if the advice of the Ottawa Free Press was taken. The landing and flag-planting of the filibustering Yankee captain, the Free Press says, was "an act of war and invasion which we are sure will be repudiated by the Washington government when the matter is brought to its notice."

THE TORONTO MAIL

has discovered the real object of the Globe in agitating the bulk of the senate. "It is as well for the people of Ontario to understand this," says the Mail, "that the crusade against the senate is logically connected with the scheme to abolish the viceregal and the custom houses—in short, to proclaim independence."

THE NEW YORK CONVENTION

was a quiet affair. The fighting was confined to the primary meetings, and there it was waged with extreme fierceness. At many places there was had to physical force. But both factions appear to have become thoroughly ashamed of themselves, and the status quo being in a minority had the good sense to make the best of the situation.
