THE TAYLOR HYDRAULIC AIR COMPRESSING CO., Ltd., Montreal, Que.

DEAR SIRS:—

We have had your Air Compressor in successful operation for over twelve (12) months in our Print Works, where it has replaced steam to drive the engines in the Printing Department. Your Compressor runs without attention or expense, and is saving the cost of fuel formerly employed to drive the same engines by steam.

I am pleased to certify to its successful operation as a most efficient motive power.

Yours truly, W. T. WHITEHEAD, Manager.
