Irish bulls are world-famous, and, perhaps, deservedly so; but is there no such thing as an English bull? A well-known agent in the north of England had the following sentence on his printed list: "All future lists cancelled." This is a fact, as is also the following: "A branch manager for a large cycle firm, seeing a new machine of another maker, exclaimed, "Copying again! copying again! that's just the way with that firm; they have made the very thing we are going to make."—*Irish Cyclist and Athlete.*

Montreal, Dec. 20, 1886.

A CHANGE DESIRED.

Editor CANADIAN WHEELMAN.

SIR,—As I was looking over THE WHEELMAN for November, I saw a letter from D 322, containing a suggestion which I think would be of great benefit to the Association. I was appointed L.C. the latter end of August, when the season was two-thirds gone. If appointed in January, we are ready to see to our business at the beginning of the season, not when it is nearly over, as now. What good are we to the Association? April and May is when information is wanted.—Yours truly,  
W. F. BAYLEY.

Niagara, Ont., Dec. 15, 1886.

WILL THE KEEPER OF THE RECORDS SPEAK?

DEAR EDITOR,—Every paper and periodical that one may pick up nowadays is filled with records of some sort—wheeling, boating, running, bird-flying—records of everything movable, in fact, on the face of the earth. Why cannot our records be published? Some are asking, "What are the Canadian bicycle records?" Are they the "Alpine" figures spoken of by D 322 in the November issue? Who is the caretaker of these magnificent—in fact, 'way-up—records? and why does he not give them light in the columns of the official organ? This is a handful of whys.  
SCORE CLERK.

TORONTO.

The Toronto Bicycle Club has at last found cosy and comfortable quarters in the handsome stone front residence at No. 5 Wilton Avenue. They occupy the parlor and dining-room, the former being newly furnished by them with a rich carpet, handsome curtains and elegant furniture and general bric-a-brac. They certainly have one of the handsomest suite of club-rooms that I have seen, and the boys will no doubt spend many a pleasant evening at their headquarters. They have formed a snow-shoeing branch, and the idea is an excellent one. The Wanderers have also adopted a similar plan by joining a toboggan club. The fact of the matter is, both of our clubs are in a remarkably healthy state, and are full of life and vigor, which augurs well for a lively season next summer.

The Bulletin will increase its advertising rates. There was a loss of about \$2,000 on the paper last year.
