Recommendations of the Harmonicon.

From the Novascotian] THE HARMONICON, the first Musical Work ever printed in Nova Scotia, has just issued from Mr Dawson's Press at Pictou, and is for sale at the Halifax Book-stores. It is a collection of Sacred Music, consisting of Psalm and Hymn tunes, Anthems, &c., selected from the best authors, with a copious introduction to Vocal Music. The work is got up in a very creditable style, and is sold for 6s. with a liberal allowance to traders and others, purchasing 12 or more copies.

From the Halifax Pearl] THE HARMONICON — We have much pleasure in being enabled to speak in the highest terms of this selection of sacred music. The mechanical execution of the work is exceedingly creditable to the press of Mr Dawson of Pictou, from whence it has just been issued, whilst the compiler has evinced much taste in the selection of his tunes and anthems. We have a great variety of Tune Books in our possession, but we have not one of its dimensions, embodying so choice a collection as the Harmonicon. Its value, in our estimation, is exceedingly enhanced by the introduction of the greater part of W. Arnold's most admired compositions. These alone are worth the full price charged for the whole collection. To those also who are about to commence the study of sacred music, this work will be found of inestimable use, as the directions to learners are remarkable for their fitness and explicitness. The Harmonicon is for sale at the different book stores in town, and we feel confident that all who examine it, having any knowledge of Psalm and Hymn Tunes, will concur with us in the opinion we have expressed, of its great value as a compilation of the very best tunes extant.

December 6.

TO BE SOLD AT PUBLIC AUCTION,

On Tuesday the eighth day of May next, in small Lots, according to a plan to be soon at the Office of M. J. Wilkins, Esq.:

All that valuable piece of

LAND,

consisting of 22 Acres, commonly called the "Battery Hill," fronting on the Harbour of Pictou.

As the Town of Pictou has a natural tendency to extend itself in the direction of this PROPERTY, the Subscriber has been induced to lay it off in a neat and convenient Town Plot, in which the Streets are so laid out as to correspond with the Streets of the Town of Pictou, in such a manner that no inconvenience will occur in extending the present Streets, and those who are desirous of purchasing the Lots above offered, will have the advantage of broad and regular Streets, the want of which constitutes so great an objection to the erection of buildings in the present town. The front of this property possesses every advantage to those about engaging in Commercial Business, or desirous of erecting wharves and Stores, as the channel of the harbour passes very close to the land at this place, and a very trifling expenditure of labour in cutting down the bank, would make an easy inclined plane, almost to the channel's edge. This Property is in fact the natural site of a town, and probably would have been at this time covered with buildings, had it not been for the state of the title, which is now however undisputed. Persons therefore desirous of laying out money to advantage, cannot make a better investment than in the purchase of these Lots.

At the same time, the Subscriber will offer **NINE LOTS,**

Of five Acres each, in the rear of the property in possession of M. J. Wilkins, Esq.

These Lots are of an excellent quality; and though they have never been cultivated, they have been in pasture a great many years and are nearly fit for the plough.

TERMS OF SALE:—10 per cent deposit, 20 per cent in 6 months, 20 per cent in 12 months, and the remaining 50 per cent 2 years from the date. To be secured by mortgage bearing interest.

Sale to commence at 11 o'clock, A. M.
STEPHEN BINNEY.
