

STEVENS

YOU are probably looking forward to your annual outing, and it is none too early to decide what make of FIRE-ARMS to buy. Of course you want one that is RELIABLE, otherwise your trip would not be a success. We have since 1864 manufactured a large and varied line of

RIFLES, PISTOLS SHOT GUNS

and they are acknowledged the world over as STANDARD. In Rifles our "FAVORITE" and "IDEAL" are very popular. For younger shooters our "STEVENS-MAYNARD, Jr." and "CRACK SHOT" are recommended. We have several styles of Pistols. Our Single-Barrel Shot Guns, in both hammer and hammerless patterns, are the most popular ones made.

Our Arms are carried by nearly all Dealers in Sporting Goods.

Send for our Catalog, it will interest you.
