Does it Pay

To insure in the Canada Life?
In 1851 Sir Oliver Mowat took out
a \$4,000 policy with a premium of
\$94.34 per annum, the profits
being used as an annuity to reduce
the premium. Since 1885 the pre-
mium has been entirely exting-
uished by profits, and Sir Oliver
is besides now in receipt of \$144.70.
It pays to insure in the Canada
Life.
