

A HOST of bodily troubles are engendered by chronic indigestion. These, however, as well as their cause, disappear when the highly accredited invigorant and alterative, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, is the agent employed for their removal. A regular habit of food, and a due secretion and flow of bile, invariably result from its persistent use. It cleanses the system from all irregularities, and restores the weak and broken down constitution to health and strength.

ROUGH ON RATS.

Clears out rats, mice, roaches, bed-bugs, skunks, chipmunks, gophers, &c. Druggists.

Mr. C. E. RIGGINS, Beamsville, writes: "A customer who tried a bottle of Northrop & Lyman's Vegetable Discovery says it is the best thing he ever used; to quote his own words, 'It just seemed to touch the spot affected.' About a year ago he had a black of bilious fever, and was afraid he was in for another, when I recommended this valuable medicine with such happy results."

TRIP IN TORONTO.—Mrs. Mary Thompson, of Toronto, reports the recovery of eight feet of tape-worm by the use of one bottle of Dr. Low's Pleasant Worm Syrup. This medicine is reliable for all kinds of worms that afflict children or adults.

Mr. HENRY HARDING, of Toronto, writes: My little daughter, seven years of age, has been a terrible sufferer this winter from rheumatism, being for weeks confined to her bed, with limbs drawn up, which were not straightened, and suffering great pain in every joint of limbs, arms and shoulders. The best of physicians could not help her, and we were advised to try Dr. Thomas' Electric Oil, which we done, and the benefit was at once apparent; after using two bottles the pain left, her limbs assumed their natural shape, and in two weeks she was as well as ever. It has not returned.

BE CAREFUL

The genuine "Rough on Corns" is made only by E. S. Wells (Proprietor of "Rough on Rats"), and has laughing face of a man on labels. 15c. & 25c. Bottles.

Rev. J. McLaurin, Canadian Baptist missionary to India, writes: During our stay in Cabala, we have used Dr. Thomas' Electric Oil with very great satisfaction. We are now returning to India, and would like very much to take some with us, for our own use and to give to the deceased heathen.

The celebrated Vegetable Compound for females, which, within a few years, has made the name of Mrs. Lydia E. Pinkham known in every part of the civilized world, relieves suffering by the safe and sure method of equalizing the vital forces and thus restoring the organic functions. It is only such a method that disease is ever arrested and removed.

IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, AYER'S SARSAPARILLA will dislodge it and expel it from your system. For constitutional or scrofulous Catarrh, AYER'S SARSAPARILLA is the true remedy. It has cured innumerable cases. It will stop the most obstinate catarrhal discharges, and remove the burning odor of the breath, which are indications of scrofulous origin.

ULCEROUS SORES. "At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Physicians told us that a powerful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results." Yours truly, D. F. JOHNSON.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; \$1, six bottles for \$5.

 "These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in his community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We confess to be reminded by these brief and terse discourses of our dear old favourite, John Foster."—Presbyterian (Halifax) Weekly.
