CATARRH. CATARRH. DEAFNESS AND HAY FEVER.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and catarrh of the eye. Microscopic research, however, has proved it to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrh of the eye and hay fever are cured in from one to three simple applications made at home. Pamphlet explaining this new treatment is sent free on receipt of stamp, by A. H. Dixon & Son, 315 King Street West, Toronto, Canada.—Christian Standard.

Scientific and Useful.

APPLE SNOW.—Six large baked apples, beaten very light; add whites of two eggs, beaten to a stiff froth. Serve with sauce made from small pint of milk, boiling two spoons of sugar, a little salt, tea vanilla. The snow may be sweetened to taste. Serve cold.

Figures Cannot Lie.

This has been said by a great many, and believed to be truth. But we are some times a little sceptical when instances of some remote planet is given, but never in the least doubt when JOLLIFFER & CO., of 467 471 Queen Street, West, say they have the largest and best stock of Furniture and Carpets in the city.

CAKE.—One cup of molasses, one cup of milk, four cups of flour, three cups of sugar, two cups of butter, eight eggs, two pounds of raisins, two pounds of currants, one pound of citron, one nutmeg, one teaspoonful of soda; bake slowly three hours; this will make two loaves, and is very nice.

"Of earthly goods, the best is a good wife; A bad, the bitterest curse of earthly life."

How many wives who to-day are almost distracted because of their many ailments, all tending to make home unhappy, would become the best of all earthly goods, if they got rid of their troubles by using Dr. Pierce's "Favourite Prescription," which is an unfailing remedy for those diseases and weaknesses which afflict the female sex. Send ten cents in stamps for Dr. Pierce's complete treatise on these diseases, illustrated by numerous wood-cuts and coloured plates. Address, World's Dispensary Medical Association, Buffalo, N. Y.

JELLY ROLLS.—Four eggs beaten lightly, one cup sugar, one cup flour, one teaspoonful cream of tartar, one-half teaspoonful soda dissolved in a dessert-spoonful boiling water; bake in large meat pan; when done take out on napkin powdered with sugar, spread with raspberry jam and roll up lengthwise.

"CUTS."—The best thing we know of to heal a cut or wound is to saturate the injured part with a cloth saturated by Perry Davis' Pain-Killer.

TEA KISSES.—Half cup butter, two cups flour, one cup sugar, two eggs beaten lightly, two tablespoonfuls milk, two teaspoonfuls yeast powder; dip out by the teaspoonful spread far apart on the pan; sprinkle with powdered sugar and bake in quick oven. It only takes a few moments, and they are delicious.

CREAM CRACKERS.—Sift a teaspoonful of baking powder in one quart of flour, also a large pinch of salt and five tablespoonfuls of sugar; rub in four tablespoonfuls of butter (cold), and five beaten eggs, mix into smooth dough, and knead rapidly for a few minutes, cover with a damp towel for fifteen minutes, then roll out thin, cut with round cutter. When all cut drop them a few at a time in a large pot of boiling water. When they appear at the surface, and curl at edges, take them up with a skimmer and drop in a pan of cold water. Then lay them on greased tins, and bake in a hot oven fifteen minutes.

QUICK RELIEF.—"One bottle of Haggard's Pectoral Balsam cured me of a sore throat and loss of voice. One trial relieved me when all other medicine failed," says Miss J. McLeod, Belfountain, Ont.

CREAM OF CELERY SOUP.—Take one head celery cut in small pieces and boiled in one pint white stock; add one slice onion, one-half blade mace and four peppercorns. Boil one hour. Rub through a sieve. Add one pint more white stock, boil, then add one pint cream. Cook one tablespoonful of butter and one of flour together, and add to the soup. This soup stock was made originally from a knuckle of veal. Water may be used instead, if preferred. Make the addition of stock while rubbing the cooked celery through the sieve to assist the process. Let the mixture boil, and add the butter and flour cooked together. When it comes to a boil again add salt and pepper. If too thick, add a little more milk and serve.
