# BIBLE CLASS

FOR S. S. TEACHERS,  
EVERY SATURDAY,

AT 4.30 P.M.

Subject—INTERNATIONAL LESSON.

## THE BLOOD OF CHRIST.

A GENTLEMAN teacher in one of our Sabbath schools had long been trying to make clear to his class what the "blood of Christ cleanseth from all sin" meant. Having a cottage at Cape May he invited four of his boys to visit him. The shore, as all well remember who have visited that watering place, is very smooth. Walking along the beach with the boys one day he told one of them to get a stick. Having got the stick he told him to write "S"—and said, "You see that letter—what is it?"

"Why," they said, "it is 'S.'"

"Now write 'P'—now write 'N'—now what does that spell, boys?"

"Why, sin."

At this moment a great wave came in and washed the beach smooth and clean, so that no trace of the letters remained.

"Now, boys," said the teacher, "that is just the way with the blood of Christ. He comes with His love and power, and washes your sin just as you have seen those waves wash the letters away. Do you not want to be washed?"—Sel.
