Bell Telephone 2299.

Information solicited from any part of the Dominion regarding contracts open to tender.

Advertising Rates on application.

At its Convention held in Toronto, Nov. 20 and 21, 1889, the Ontario Association of Architects signified its approval of the CANADIAN CONTRACT RECORD, and pledged its members to use this journal as their medium of communication with contractors with respect to advertisements for Tenders.

The following resolution was unanimously adopted at the First Annual Meeting of the Province of Quebec Association of Architects, held in Montreal, Oct. 10th and 11th, 1890: "Moved by M. Perrault, seconded by A. F. Dunlop, that the Architects of the Province of Quebec now assembled in Convention being satisfied that the CANADIAN CONTRACT RECORD affords us a direct communication with the Contractors, Resolved, that we pledge our support to it by using its columns when calling for Tenders."

Subscribers who may change their address should give prompt notice of same. In doing so, give both old and new address. Notify the publisher of any irregularity in delivery of paper.

Notice to Contractors

Tenders will be received by registered post, addressed to the City Engineer, Toronto, up to 11 o'clock a.m. on SATURDAY, MARCH 3, 1894, for the following works:

Concrete Pavement under Tracks:

On Bloor Street, from Spadina avenue to Palmerston avenue.

On Bloor street, from Palmerston avenue to Givens street.

On Bloor street, from Givens street to Dufferin street.

Cedar and Granite Setts on Concrete under Tracks:

On Broadview avenue, from Gerrard street to Danforth avenue.

Specifications may be seen and forms of tender obtained on and after Saturday, February 24th, 1894, at the office of the City Engineer.

A deposit in the form of a marked cheque, payable to the order of the City Treasurer, for the sum of 5 per cent. on the value of the material tendered for under \$1,000, and 2 1/2 per cent. on the value of the material tendered for over that amount, must accompany each and every tender, otherwise it will not be entertained.

All tenders must bear the bona fide signatures of the contractor and his sureties (see specifications) or they will be ruled out as informal.

The Committee do not bind themselves to accept the lowest or any tender.

DANIEL LAMB,

Chairman Committee on Works.

Committee Room, Toronto, Feb. 19, 1894.

TENDERS

Will be received at the office of the undersigned up to SATURDAY, FEBRUARY 24, for all trades in the erection of a first-class Stable, Sherbrooke Street.

Plans and specifications can be seen at my office, 204 St. James Street, Montreal.

H. AUSTIN JONES, Architect.

WANTED,

Some enterprising party in Canada to manufacture and handle Johnston's Patent Combined Dish Drainer, Bread Board and Cutting Board. This is a rare chance for worker in wood to secure the monopoly of a most useful article. Address

S. O. JOHNSTON,
NEWPORT, R.I., U.S.A.

TENDERS.

Sealed tenders will be received by the undersigned until noon on MONDAY, 26th INST., for building an

IRON OR STEEL BRIDGE

over Fairchild's Creek at Howell's Mill, in the Township of Onondaga.

At the same time will also be received tenders for the construction of a sub-structure for the said bridge, consisting of two Stone Abutments (Oneida quarry stone preferred).

Plans and specifications can be seen at the office of John Fair, Tp. Engineer, Brantford. Tenders will be received for the whole structure or each part separate. The lowest or any tender not necessarily accepted.

S. J. McKELVIE,

Clerk Tp. Onondaga, Tuscarora, Ont.

TO CONTRACTORS.

HAVING CONTROL OF THE

ONEIDA QUARRIES

Sandstone and Limestone (Bridge, Rock and Large Dimension Stone, two feet thick and over, a Specialty). I am desirous of arranging with a competent Contractor of some means and good backing, to join me in taking contracts during the coming season. Address

J. R. MACKINTOSH,

P. O. Box 776, BRANTFORD, ONT.

TENDERS

FOR

STEAM PUMPING MACHINERY

The Stratford Water Supply Company invite tenders up to MONDAY, THE 5th MARCH, 1894, for a Compound Duplex Steam Pump, with an independent Condenser, of a capacity of 2,500,000 gallons per 24 hours, and offer for sale two Compound Duplex Worthington pumps, each of a capacity of 1,250,000 gallons per 24 hours. Further particulars on application.

D. B. BURRITT, JOHN CORRIE,
Sec'y-Treasurer, President,
Stratford, Feb. 6th, 1894.

TENDERS FOR STEEL BRIDGE

Tenders will be received up to the 19th day of March, 1894, at 6 p.m., for the erection of a STEEL BRIDGE over the Sauguen River on the Durham Road, in the Township of Brant, in the County of Bruce, Ontario, immediately west of Hanover Village; Contractors to furnish their own plans and specifications. The lowest or any tender not necessarily accepted. Apply for further particulars and address tenders to

JAMES LOCKIE, Hanover,
Dep. Reeve Tp. Brant.

CONTRACTS OPEN.

KINBURN, ONT.—The residents are about to take steps to erect a new school building.

PUGWASH, N. S.—Mr. J. Hamilton proposes to build a large grist mill in the spring.

EXETER, ONT.—The question of installing an electric light plant is under consideration.

HENSALL, ONT.—The Methodists contemplate the erection of a new church in the near future.

SACKVILLE, N. B.—Mr. Charles Fawcett has decided to rebuild his factory recently destroyed by fire.

ST. HENRI, QUE.—The Town Council has authorized the borrowing of \$200,000 to widen St. James street.

PARRY SOUND, ONT.—The School Trustees are making a move towards securing the erection of a new school building.

WALTER'S FALLS, ONT.—The directors of the Central Agricultural Society will erect a new hall on the exhibition grounds this summer.

WINGHAM, ONT.—The Town Council will memorialize the Dominion Government to erect a post office and custom house here.

PARRSBORO', N. S.—The question of erecting a new school building is under consideration by the Town Council.

HULL, QUE.—It is probable that a new hospital will be erected here. Dr. Beaudin, the Medical Health officer, is one of the chief promoters.

SOUTH MOUNTAIN, ONT.—The Roman Catholics are preparing to erect a new church in the spring. The stone will be supplied by Mr. John A. Baker, of Winchester.

PORT HOPE, ONT. Local capitalists are considering the advisability of forming a joint stock company for the purpose of erecting a large summer hotel on the lake shore.

PETERBORO', ONT.—Mr. J. E. Belcher, town engineer, has completed plans for a new timber bridge over the Otonabee river, near Auburn. It will consist of three 66 feet spans, two piers and two abutments.

ST. ANDREWS, N. B.—The plans for the wing to the Algonquin hotel will be prepared by a Boston architect.—Mr. B.

F. DeWolfe proposes to construct a wharf 300 feet in length north of the present steamboat wharf.

BELLEVILLE, ONT.—It is probable that a new High School will be erected here this year.—Messrs. L. W. Yeomans & Co., of this city are intending to build a residence and are considering sketches and plans for that purpose.

GODERICH, ONT.—By resolution of the Town Council, the Town Clerk has been instructed to communicate with some of the leading sanitary engineers of the province regarding the cost of constructing a complete system of sewerage.

COLLINGWOOD, ONT.—Tenders are invited by D. Williams, on behalf of the Town Property Committee, until the 1st of March for the supply of 50 pieces of round cedar timber, 20 feet long, 6000 feet 3 inch plank, and a quantity of square timber.

NEW WESTMINSTER, B. C.—Mr. R. Balfour, the well known bridge builder and contractor, has made a proposition to the City Council to construct a railway and traffic bridge across the Fraser river. The matter will be considered by the Council.

SEABORTH, ONT.—The electric light plant is offered for sale. Particulars may be obtained from Wm. Elliott, Town Clerk. Mr. Hugh Campbell, of Mitchell, in conjunction with another gentleman, contemplates the erection of a bank building here.

ST. JOHN, N. B.—E. F. E. Roy, Secretary Department of Public Works, Ottawa, will receive tenders until Saturday, the 24th inst., for the construction of a wharf at Gardiner's Creek, in this city. Plans may be seen at the office of Mr. J. B. Hezan, resident engineer.

PEMBROKE, ONT.—Mr. J. H. Reeves, Secretary Building Committee, will receive tenders until the 15th of March for the erection of a two-story frame school hall, veneered with brick. Plans may be seen at the office of Mr. Joseph Warren, Collector of Customs.

GALT, ONT.—The Galt and Preston Street Railway Company will shortly be in a position to award contracts for the construction of their road.—The Public School Board has decided that the Central school be remodelled and an improved system of heating put in, at a cost of \$6,000.

NEWCASTLE, N. B.—Tenders are requested by P. Hennessy, Chairman Building Committee, until Thursday, the 15th of March, for the erection of a convent in this town. Plans may be seen at the offices of W. H. Thorne & Co., at St. John, and J. C. Dumaresq, architect, of Halifax, and also at Mr. Hennessy's office in this town.

BERLIN, ONT.—Mr. Aylesworth, architect, of Toronto, is preparing plans for Dr. Clemmen's new dwelling to be erected at the corner of Queen and Church streets.—Tenders are invited by Mr. J. Cook, Church Warden, until the 1st of March
