CANADIAN MEDICINES

FOR THE

CANADIAN PEOPLE

AT THE

NEW MEDICAL AND DENTAL ESTABLISHMENT,

IN

Elgin Buildings, 85 Yonge Street,
TORONTO.

DRS. RUSSELL AND FOWLER

HAVE received from the Country a supply of
ROOTS, HERBS, SEEDS &c., from which
they have prepared in their own Laboratory a num-
ber of CURATIVE COMPOUNDS, ac-
cording to the most approved Eclectic Formulae

It is not intended that these Remedies should super-
cede the necessity of every family having its own ex-
perienced Medical Adviser, in whom implicit confi-
dence should be placed; they are rather designed in
some measure to provide a safe and an efficient sub-
stitute for many of those secret and foreign nostrums
with which the country is flooded, and the unadvised
use of which has done much harm.

Every intelligent person must be aware that no
medicine can be so general in its application as to be
able to control even the same disease under different
temperaments and conditions; in dispensing
these remedies, therefore, Drs. Russell and Fowler
will be ready to afford adequate advice as to their
proper use without extra charge. Ordinary direc-
tions will be printed on the label of each bottle or
package.

THE CORDIAL,

This compound contains no Opium yet it will ease
pain and promote moderate perspiration. It is good
for delicate females as well as restless children, re-
moving Flatulence and Wind Cholice, and it is also
very useful in Hysterics and Nervous Affections
generally.

THE CANADIAN VERMIFUGE,

This preparation will be found as efficient as any
Worm Medicine in the country. It is not only good
for the expulsion of Worms but it also beneficial in
those cases in which the appetite is depraved accom-
panied by emaciation, unimpaired bowels, &c.

ANTISIBILIOUS PILLS,

This is a very excellent purgative in all ordinary
complaints, it acts on the bowels effectually without
producing debility or leaving them in a costive state.
—Two or three taken at bed-time.

ANTISPASMODIC AND AGUE DROPS,

This is a powerful medicine for arousing the vital
energies to throw off disease—such as Spasms, Fits,
Suspended Animation from Lightning, Drowning,
&c. Taken in conjunction with the Ague Powders
it affords in most cases a certain remedy for Fever
and Ague.

AGUE POWDERS,

For a common case of Intermitting Fever these Pow-
ders, during the Intermission will be found quite
sufficient of themselves to cure the disease.

TONIC DROPS,

This is an excellent Preparation for Female Debili-
ty, Dyspepsia, &c.

COUGH MIXTURE,

This preparation is very beneficial in loosening a
hard Cough and promoting expectoration. Try it.

NERVOUS MIXTURE.

This is good for delicate females—Fainting, Hyster-
ics and all Nervous diseases.

Diuretic Drops,

These Drops are good for Scalding Urine whether
arising from Gonorrhoea or other disease. In irritabil-
ity of the Bladder and the Whites they have been
found to afford prompt relief.

GOUT AND RHEUMATIC DROPS,

This is a powerful compound of Botanic Elements.
It purifies the blood and is one of the best remedies
that can be employed in some cases of Asthma and
Chronic Pulmonary complaints.

THE ANTISCROPHULOUS PANACEA.

This preparation has been well tested and can be re-
commended as a certain cure for Scrophulous sores
in conjunction with the Healing Ointment.

THE HEALING OINTMENT

This is an elegant salve for healing Burns, Scalds,
and Ulcers. Spread thinly on a piece of linen and
apply Morning and Evening.

Rheumatic Liniment,

To Rheumatic Pains of a local inflammatory character
this Liniment affords speedy relief. It is a good ap-
plication in Quinsy, White Swelling, Inflamed
Breasts, &c.

NERVOUS PILLS,

These Pills are invaluable in Neuralgia and all pain-
ful Nervous affections—being devoid of Opium they
have rather an aperient than a constipating effect.—
One or two every two hours, or as it may be neces-
sary.

DIAPHORETIC POWDERS,

This is a valuable Anodyne and Diaphoretic. It
promotes perspiration without increasing the heat of
the body or the rapidity of the circulation. It will
generally be found superior to the Dover's Powder.

THE RING BONE OINTMENT.

Dr. Russell has cured several cases of Tinea Capitis
and other inveterate diseases of the Scalp with this
Ointment.

FOWLER'S PRESERVATIVE SOLUTION FOR THE TEETH AND GUMS.

If more attention was paid to the preservation of teeth
there would not be so much necessity for those ex-
pensive artificial contrivances with which the mod-
ern Dentist endeavors to supply the place of nature's
own beautiful productions.

Drs. R. and F. have also prepared

MEDICATED SOAPS

For the treatment of inveterate Skin Diseases, to
which they would call the attention of those who
may be so afflicted.

The Epedermoid Solution,

Valuable for cuts and burns as prepared by Drs.
Russell and Fowler, if applied to fresh cuts or burns
will effect a cure without any further dressing or
trouble, it supplies the loss of the skin occasioned by
a cut or burn excluding the air and throwing a per-
fect waterproof covering over the parts affected, which
may be washed without injury.

ALL OTHER MEDICINES OF THE BEST QUALITIES AL-
WAYS ON HAND.

N.B.—Orders from the Country punctually attend-
ed to.
