

## Clothes Washed Rapidly

A great boon to the busy housewife, is the Connor Ball Bearing Washer. Washes clothes spotlessly clean three times as fast as she can do it with a wash board. Does the trick, too, without loosening a button or fraying an edge. Treats delicate fabrics very gently.

## Connor <sup>Ball</sup> Bearing Washer

Just think of all the wash-board wear on your clothes that the Connor Ball Bearing Washer would save. Just think how much longer your clothes would last. Think, too, how much easier it would be to do the washing on a machine that almost runs itself—runs on ball bearings. It's the handy helper you've needed for a good long time. Write for booklet telling all about it.
