THE LARGE 103 YONGE ST.

The Winter has past, with its frost and its snow,
And where is the man who won't say let him go;
And Spring has arrived and dressed Nature anew,
And Summer, sweet Summer, is nearly in view.

The genial showers of the Spring have been shed,
And fields live again that were withered and dead;
And trees that were leafless are bursting their chain,
And waving in loveliest verdure again.

The birds of our forests that left us so long,
Again fill the air with the power of their song,
Rejoicing that hoary Grim Winter is past,
And that Springtime and Summer have found us at last.

Now away with the Cloaks and the Furs which you wore,
Through many a snow storm they mantled you o'er;
To wear them just now, with the weather so warm,
Would do you no good, but a great deal of harm.

Away with your Bonnets of Dark Velvet Pile,
Let them rest on the shelf or the box for a while;
Yet something in Straw, if you take my advice,
In Devon, or Linton, or Tuscan, or Rice.

McDONALD has Bonnets, remarkably low,
At sevenpence-halfpenny, or eightpence or so;
And Ribbons to trim them at sixpence a yard,—
The terms are certainly not very hard.

A large stock of Muslins, selected with taste,—
The colours are fast, and the patterns are chaste;
And Dress Goods in "Fancies," both figured and plain;
With the fine French Barage, and the printed DeLaine.

While he seeks to secure the most recent styles
In the fabrics produced in the famed British Isles,
Yet a judge may perceive at the very first glance
That his Gloves have the finish of Grenoble in France.

There are many things more, which one might suppose,
They are mentioned below in straightforward prose;
The Stock, he may add, is extensive and nice,
While the whole has been marked at a moderate price.

His direction will still be the same as the former,
On Yonge's street, one door from Richmond-street corner;
While the front of his house, hereafter, shall be
Better seen by the figures One Hundred and Three!

THANKFUL FOR PAST FAVOURS,

JOHN McDONALD

HEALTH WHERE 'TIS SOUGHT

HOLLOWAY'S PILLS.

**Cure of a Case of Weakness and Debility, of
Four Years' Standing.**

Extract of a Letter from Mr. Smith, of No. 5, Little Thomas
Street, Gibson Street, Lambeth, dated Dec. 12, 1850.

To Professor HOLLOWAY,—

SIR,—I beg to inform you that for nearly five years I hardly
knew what it was to have a day's health, suffering from extreme
weakness and debility with constant nervous headaches, giddiness
and sickness of the stomach, together with a great depression of
spirits. I used to think that nothing could benefit me, as I had
been to many medical men, some of who after doing all that was
within their power, informed me that they considered that I had
some spinal complaint beyond the reach of cure, together with a
very disordered state of the stomach and liver, making my case so
complicated that nothing could be done for me. One day, being
unusually ill and in a dejected state, I saw your Pills advertised,
and resolved to give them a trial, more perhaps from curiosity
than a hope of being cured, however, I soon found myself better
by taking them, and so I persevered in their use for six months,
when I am happy to say they effected a perfect cure.

[Signed]

WILLIAM SMITH.

AYER'S CHERRY PECTORAL.

For the Cure of Coughs, Colds, Hoarseness, Bronchitis, Whooping-
Cough, Croup, Asthma, and Consumption.

Among the numerous discoveries Science has made in this
generation to facilitate the business of life—Increase its enjoy-
ment, and even prolong the term of human existence, none can
be named of more real value to mankind, than this contribution
of Chemistry to the Healing Art. A vast trill of its virtues
throughout this broad country, has proven beyond a doubt, that
no medicine or combination of medicines yet known, can so surely
control and cure the numerous varieties of pulmonary disease
which have hitherto swept from our midst thousands and thou-
sands every year. Indeed, there is now abundant reason to be-
lieve a Remedy has at length been found which can be relied on
to cure the most dangerous affections of the lungs. Our space
here will not permit us to publish any proportion of the cures af-
fected by its use, but we would present the following opinions of
eminent men, and refer further enquiry to the circular which the
Agent below named, will always be pleased to furnish free, where
in are full particulars, and indisputable proof of these facts.

From the President of Amherst College, the celebrated
Professor Hitchcock.

"James C. Ayer—Sir: I have used your Cherry Pectoral in
my own case of deep-seated Bronchitis, and am satisfied from its
chemical constitution, that it is an admirable compound for the
relief of laryngeal and bronchial difficulties. If my opinion as to
its superior character can be of any service, you are at liberty to
use it as you think proper.

EDWARD HITCHCOCK, L.L.D.

From the widely celebrated Professor Silman, M.D., L.L.D.
Professor of Chemistry, Mineralogy, &c., Yale College, Member
of the Lit. Hist. Med. Phil. and Scientific Societies of America
and Europe.

"I deem the Cherry Pectoral an admirable composition from
some of the best articles in the Materia Medica, and a very effec-
tive remedy for the class of diseases it is intended to cure."
New Haven, Ct., Nov. 1, 1849.

Major Pattison, President of the S. C. Senate, states he has
used the Cherry Pectoral with wonderful success, to cure an in-
flammation of the lungs.
