

NEWS AND NOTES.

There are some who deny the power of the Gospel because it has not won over all men. But it would be just as reasonable to deny the advance of medical science or of temperance, because thousands still die of curable diseases or as drunkards.

K. D. C. Pills should be taken with K. D. C. when a laxative is required.

Be sure that we cannot have two Paradies; it is impossible to enjoy delights in this world and after that to reign with Christ.

DEAFNESS.

An essay describing a really genuine Cure for Deafness, Singing in the Ears, &c., no matter how severe or long-standing, will be sent post free. Artificial Ear-drums and similar appliances entirely superseded.

Address THOMAS KEMPE, Victoria Chambers, 19, Southampton Buildings, Holborn, London.

What thou art, thou art; neither canst thou be said to be greater than what thou art in the sight of God.

K. D. C. acts like the magic on an overloaded stomach.

It has been demonstrated that if a body of coal sufficiently large to last 1,000 years should be set on fire, the heat given out from it would not equal that which the sun gives out in the thousandth part of a second.
