"THE WEEK, one of the ablest papers on the continent."—DESCRIPTIVE AMERICA.

**THE WEEK**

*A Canadian Journal of Politics,  
Literature, Science and Arts.*

PUBLISHED : EVERY : FRIDAY.

\$3.00 PER YEAR.

**T**HE WEEK, now in its eleventh year of publication, has been greatly enlarged and improved, rendering it still more worthy the cordial support of every one interested in the maintenance of a high-class literary journal. Recognizing with gratitude the generous support it has received since the publication of the first number, it hopes to win the approval of a wider constituency and reach a much larger circle of readers.

The independence in politics and criticism which has characterized THE WEEK ever since its first issue will be rigidly maintained; and unceasing efforts will be made to improve its literary character and increase its value and attractiveness as a journal for the cultured home. Many new and able writers are now, or have promised to become, contributors to its columns, and the constant aim of the Publisher will be to make THE WEEK fully equal to the best literary journals in Britain and the United States.

"I regard THE WEEK as one of the most interesting and satisfying literary publications in America."—*Hon. J. W. Longley, Attorney-General of Nova Scotia, Halifax.*

"There is no paper I read with the same interest as THE WEEK, and there is no other paper I read through from beginning to end."—*Frank Mackean, Q. C., Hamilton.*
