and other centres of civilization where music is brought to its greatest perfection, where art displays the relics and models of every age and the chef-d'œuvre of nearly every master, where literature has ascended the heights and sheds from the eminence of the past the rays of her splendor upon the present. These letters are most instructive. The criticisms are from a high standpoint, and all its pages are bedecked with short gems of poetry. No lover of music, no admirer of art, no amateur of literature should be without "Aradia." It is only 10c per copy, or \$2 per year.

OFF FOR LABRADOR.

(Acadian Recorder, Halifax, N.S.)

Prof. W. M. Reid, J. D. Seabroger, Lyle Vincent and W. D. Vincent, arrived by the Halifax last night. They are some of the party who go to Labrador in the schooner Evelina in the interests of the World's Fair to secure an Esquimaux village with some fifty inhabitants and all appurtenances thereto belonging. The schooner left Cunningham and Curran's wharf today on her mission.

A Recorder reporter was talking today to Capt. Wm. McConnell, of Port Huron, Mich., who is in charge of the vessel. An interesting incident was mentioned (and although it sounds like a "pull" of a patent medicine it is worth noting). "Do you see that man over there?" said a friend. "That is Capt. McConnell, who is going after Esquimaux. I have known him for years, and he is that old with asthma that he had to come to be put up on board his vessel. You see him?"—the man was pointing to a man in a coat and hat, and he said: "He is a well man; and he attributes it to some of Dr. Williams' Pink Pills that he took, two after each meal."

Out of curiosity, the reporter secured an introduction to the captain, and after some talk about the expedition, remarked: "Well, that's correct, Captain, about your recovery from asthma, and that you attribute it to these pills."

"Well, I don't know anything else, I never felt better since."

"No, of course we will see what this winter may bring forth; I haven't said anything about it."

"But last winter?"

"I began taking them in December, and found the change brought about in my condition, which Dr. Barker, of Halifax, said was about as bad as it could be."

Right often that a patent medicine gets such a big boom in the incidence of newswriting, as is furnished in the above, but it is set down just as it is, and is not intended to be a recommendation.

The whole Labrador party consists of Messrs. Tabor and Vincent, Prof. Reid, of Harvard College; Mr. Lyle Vincent, St. Louis; Dr. Barker, Philadelphia, a distinguished naturalist; Prof. Gillet, New Haven, Conn.; and Hon. W. F. Ryan, Quebec. They expect to return with about 20 Esquimaux, with dogs, komatiks, kayaks, and a general collection of curiosities from Esquimaux land. The schooner is a handsome one, 100 tons, and is a fast steamer, built by A. C. MacDonald of the supplies.

A CHILD SAVED.

My little boy was taken very bad with diarrhoea, and I was very anxious to get him better. I tried many remedies, but nothing seemed to do any good. I then tried Dr. Fowler's Wild Strawberry, and lo! he was better in a few days. I am now able to tell you that Dr. Fowler's Wild Strawberry is a most reliable remedy for all cases of diarrhoea, and I can recommend it to all my friends.
