

A Business Proposition

We offer you a better investment than Government Bonds.

Better for three reasons.

1st.—Canada Life 5% Gold Bonds yield a much higher rate of interest than Government Bonds.

2nd.—They are paid for by instalments—thus placed within the reach of men without capital.

3rd.—They are insured. That is, should the investor die after paying only one instalment on his bonds, all his future payments to the Company would be immediately cancelled and the benefits of his investment would at once become available.

Add to all these advantages the very material one that the investor shares in the surplus earnings of this Leading Company, and you have an opportunity for safe and profitable investment rarely equalled. Any representative of the Company will gladly furnish particulars, and a handsome booklet, giving a full explanation, will be sent on request.

The Canada Life Assurance Company

Mr. D. MacLaren,
of Barrie, writes:

"Being a firm believer in Life Assurance, I carry policies in the three leading Canadian Companies and one in an American Company, but I have always received larger profits from the

Sun Life Assurance Company of Canada than from any other Company.

You will say the same thing if you assure with this "Prosperous and Progressive" Company. Write for literature.
