Pronounced his Benediction.

12.45.—Pope Pius X has expressed his desire not to dissolve the conclave until this evening. It is supposed that the Cardinals will, remain in their present quarters intil about 7 p.m. An an-mouncement of Cardinal Sarto's election was received with wild enthusiasm on the part of thousands of people who had gathered outside St. Peter's. The scene within the liasilica when the pope pronounced his benediction was one of unparalleled excitement and enthusiasm. Thousands of persons within the thedral cheered and waved their All is now quiet.

New Pope's Career.

dinal Gieuseppe Sarto was Riese, province of Venice, dinal and patriarch of Venice, June 12, 1893. He was very learned in the ecclesiastical doctrines, is modest, energetic, a good administrator and organizer, a patron of the arts, and his seriousness always has been proverbial.

Leo XIII.'s Prophetic Words.

Early in April, Pope Leo, in a conversation with Father Perosi, the Italian composer said, in speaking of Cardinal Sarto: "Hold him very dear, Perosi, as in the future he will be able to do much for you. We firmly believe he will be our successor." He has been known for many years as one of the greatest preachers in the church.

Herrero's Life in Danger

There was great anxiety throughout the night, both in and out of the conclave, owing to the fact that Cardinal Herrero Y Espinosa might die at any moment. Feeling the end approaching, the Cardinal confided his last wishes to Mgr. Boniface, vicar-general of his diocese. Valencia, Spain. At day-break Cardinal Herrero's condition took a turn for the better. Neverthe less the doctors still consider his life to be in danger.

POPE LEO XIII'S PICTURE.

Many were the so-called artists who, during his life, craved the favor of taking the picture of the now lamented Pontiff Leo XIII. We are told of one in particular who had made nothing less than a caricature of the Pope. Howsoever, he had come to His Holiness with the request to write something in order to give more value to the pictures. The Pope, seeing how difficult it would be to recognize him. in such a caricature, thought that he could not do any better than recall the words of the Divine Master to His disciples:

"Ego sum, nolite tunere."

'It is I, fear not."-Lake xxiv. 36. And to this the Pope added his

ST. PIE-LETELLIER.

The Rev. Father Jutras returned to us from his holiday trip in the Province of Quebec on the 17th of this month.

Father Branchand, E.D.M., who replaced our parish priest during his absence, preached a retreat to the Sisters last week.

Two more Sisters are now in residence at Letellier. They will take charge of the school at St. Joseph after the holidays, spending Saturday and Sunday in the community at the convent at Letellier. By the way, the new convent is progressing very slowly. There is no wood on the premises yet, so the structure will hardly be ready for the opening.

To-morrow, the 27th, there will be a high Mass in honor of St. Ann, at 7 o'clock, recommended by the ladies of the society. At eight o'clock a requiem Mass for the late Holy Father, Pope Leo XIII. Election day passed off without disorder, although much interest was felt and many waited at Le-
