

An Unsolicited
Tribute to

Leckie Boots

An officer of B. Section, No. 4 Field Ambulance — just back from the front — gives us an unsolicited testimonial with reference to the LECKIE BOOTS supplied to our Soldier boys:

He bought two pairs of LECKIE BOOTS in November, 1914, and he says further:

"I have worn these two pairs of boots steadily ever since, but I am still wearing them (August, 1916) and will continue to wear them when I go back to join my Division. I fully expect that these original two pairs of boots will last me through the coming winter and spring."

He said much more than the above, but that should be sufficient to prove our slogan: "The Quality Goes IN Before the Name Goes ON—that's a LECKIE."
