*Full names appear at the end of this note. Although GATT is not a UN agency, it is included because of its working relationship with the UN and various agencies. The UNICEF column refers to the 30-nation Executive Board. Memberships are as given by the agencies themselves; for some agencies, the footnotes at the end of the release give *additional members* not found in the tabular listing, *associate members* in addition to those marked with an "A," in tabular list, and information on *pending applications*. Membership as of 12 April, 1962.
