

If these periods are exceeded, the sums due are chargeable with interest, at the rate of 5 per cent per annum, from the date of the expiration of the periods of grace mentioned.

6.—If payment is not effected within one year after the expiration of the periods fixed in § 5 it is permissible for the creditor Administration to inform the International Bureau which then invites the debtor Administration to pay within a period not exceeding four months.

If payment is not effected at the expiration of this fresh period, the International Bureau shows the amount, together with the interest, in the next General Annual Liquidation Account, to the credit of the creditor Administration.

In the event of the application of the provisions of the preceding paragraph, the general liquidation account in question and those of the four following years must, as far as possible, exclude from the balances of Table 2 sums to be paid by the defaulting Administration to the creditor Administration concerned.
