

IN THE WORLD, AND HONG KONG.

It's nice to be the world's leading gold bullion coin. Nice for us, because we have more than a 50% share in the international market and have sold over 14 million ounces worldwide. Nice for you, for a number of reasons.

The Gold Maple Leaf is minted of 9999+ solid gold, no other gold coin is purer. It can be traded anywhere in

the world, within a very narrow spread. In fact, the Gold Maple Leaf is traded at over 800 locations in Hong Kong alone.

So, if you're looking to diversify your portfolio, select the perfect gift, or if you're just looking for a smart place to put your money, you're already looking at number one. Why look further?
