#### ARTICLE 12

1. For the purposes of this Arrangement, the expression "textiles" is limited to tops, yarns, piece-goods, made-up articles, garments and other textile manufactured products (being products which derive their chief characteristics from their textile components) of cotton, wool, man-made fibres, or blends thereof, in which any or all of those fibres in combination represent either the chief value of the fibres or 50 per cent or more by weight (or 17 per cent or more by weight of wool) of the product.

2. Artificial and synthetic staple fibre, tow, waste, simple mono- and multifilaments, are not covered by paragraph 1 above. However, should conditions of market disruption (as defined in Annex A) be found to exist for such products, the provisions of Article 3 of this Arrangement (and other provisions of this Arrangement directly relevant thereto) and paragraph 1 of Article 2 shall apply.

3. This Arrangement shall not apply to developing country exports of handloom fabrics of the cottage industry, or hand-made cottage industry products made of such handloom fabrics, or to traditional folklore handicraft textiles products, provided that such products are properly certified under arrangements established between the importing and exporting participating countries concerned.

4. Problems of interpretation of the provisions of this Article should be resolved by bilateral consultation between the parties concerned and any difficulties may be referred to the Textiles Surveillance Body.
