And the House having proceeded to the deferred question on the motion of Mrs. MacInnis, seconded by Mr. Harding,—That Bill C-144, An Act to provide for the management of the water resources of Canada including research and the planning and implementation of programs relating to the conservation, development and utilization of water resources be amended by numbering clause 18 to read 18(a) and by adding the following subclauses:

“(b) After January 1, 1971, no person shall manufacture for use or sale in Canada any cleaning agent or water conditioner that contains any phosphates or other prescribed nutrients.

(c) After January 1, 1972, no person shall sell in Canada any cleaning agent or water conditioner that contains any phosphates or other prescribed nutrients.”

The said motion was negatived on the following division:
