

in supplying the domestic and overseas market, the quantity of wheat to be purchased by the U.S. is limited to the lake tonnage which can be supplied by the U.S. The U.S. lake tonnage available for the shipment of wheat is limited by the requirements of the ore trade.

2. So far the Commodity Credit corporation has purchased $7\frac{1}{2}$ million bushels of Canadian wheat. The grades of wheat to be shipped will be No. 3 northern, or higher.

3. The Commodity Credit corporation decided to purchase this wheat on the open market.

4. Export permits are not required for wheat grading No. 3 northern, or higher.

5. See No. 4.

PRAIRIE FARM ASSISTANCE

Mr. FAIR:
